February 18, 2021

To whom it may concern:

Thank you for the opportunity provided to our association to recommend members of the Greater Boston Association of Realtors® (GBAR) for an open seat on the Woodville Historic District Commission. Per a written invitation from the assistant town manager, I am pleased to nominate Sharon O'Reilly for the vacancy for a three-year term.

Ms. O'Reilly is an agent with ERA Key Realty in Milford and resides in Hopkinton. A licensed salesperson since 2008, O'Reilly, has been a member of GBAR since 2009. She has been a Hopkinton resident for many years and even lives in a historical home on Wood Street within the Woodville Historic District.

I have spoken directly with Ms. O'Reilly regarding the position available on the Historic District Commission and made her aware of the meeting schedule, and she has expressed an interest and willingness to serve if chosen. Please do not hesitate to contact me if you have any questions about this nominee.

Sincerely,

John Dulczewski
Executive Vice President

## TOWN OF HOPKINTON

#### **TOWN MANAGER'S OFFICE**

Norman Khumalo, Town Manager

TO: Town of Hopkinton Select Board

FROM: Norman Khumalo, Town Manager

DATE: January 26, 2021

RE: Fiscal Year (FY) 2022 Comprehensive Budget Transmittal

As directed by the Select Board and consistent with the budget timeline established, this memorandum provides two comprehensive budget recommendations for FY 2022; one recommendation reflecting a 2.5% projected tax impact, and a second recommendation reflecting a 1.0% projected tax impact. Both recommendations are within the constraints of the Proposition 2 ½ limit on growth in the tax levy, and both proposals consider funds available from projected new growth in the residential, commercial, and industrial tax base and other anticipated revenue growth.

Both budget recommendations reflect priorities of "recovery year" budgets, addressing the COVID-19 public health emergency and recognizing that economic hardship and recovery may stretch into FY 2023 and FY 2024. Within the tax impact levels prescribed, those priorities are:

- Sustain municipal services, including educational services, at FY 2021 levels
- Meet contractual obligations
- Fund targeted service expansion in the Hopkinton Public Schools and Health and Human Services programs related to both Town growth and stresses of the COVID-19 public health emergency
- Resume funding of the Town's capital renewal program in a measured way
- Balance spending, the use of reserves, and tax impact in a way that meets service level
  expectations while minimizing adverse impacts on the Town's long term financial health
  and stability
- Limited use of stabilization reserve funds to meet priorities while minimizing tax impact during the COVID-19 public health emergency, recognizing economic impact the pandemic has had on many Hopkinton residents

To be clear, both recommendations include adverse impacts to the Town's long term financial health and stability, and those impacts involving the use of one-time funding to support new recurring costs are unsustainable over the long term. These actions are recommended as temporary measures during the current economic downturn and COVID-19 public health

emergency with the aim of sustaining the expected high level of municipal and educational services, while being sensitive to tax and pass-through rent impacts on residents experiencing financial hardship.

Recommendation 1, with a 2.5% projected tax impact, sustains FY 2021 municipal service levels into FY 2022. Most notably, this recommendation would also support all service expansion requests of the Hopkinton Public Schools, except that COVID-19 PPE will be centrally funded by the Town to the extent that it cannot be covered by anticipated federal grant funding. Recommendation 1 requires a contribution of \$774,764 from the School Stabilization Fund to support requested costs tied to enrollment growth, to provide a Hopkinton Public Schools budget of \$53,966,911, a 5.4% increase. Without that contribution, Recommendation 1 will have to be adjusted to reduce Hopkinton Public School spending below the amount requested, eliminating many of the service increase requests.

Recommendation 1 also includes limited service expansions in Town Health and Human Services, Public Safety, departmental electronic permitting, and Public Works. Recommendation 1 requires a contribution of \$774,764 from the Town's General Fund Stabilization account.

Recommendation 1 would fund \$1.89 million of recurring expenses with one-time funding, including transfers from the General Fund Stabilization Account, presumed transfers from the School Department Stabilization Account, and the use of certified "free cash" from previous years. These measures would result in a budget gap in FY 2023 and beyond.

Recommendation 2, with a 1.0% projected tax impact, provides an alternative with a lower tax impact that funds substantially fewer targeted service expansions, including providing \$688,000 less than requested by the School Committee, even after a draw of \$774,764 from the School Stabilization Fund, \$185,800 in cuts to other Town departments, and a higher \$906,435 draw from the General Fund Stabilization account. With specific respect to funding for the Hopkinton Public Schools, Recommendation 2 would provide \$53,278,911, from the General Fund to fund the School Committee's operating request at \$688,000 below the amount requested; but still providing a 4.0% funding increase, supported by a contribution of \$774,764 from the School Stabilization Fund. Without that contribution, Recommendation 2 will have to be adjusted to further reduce Hopkinton Public School spending correspondingly.

Recommendation 2 requires cuts to the Tree Management Program, contracted appraisal services supporting equitable property taxation, Town employee training, requested funding for Parks and Recreation facilities support, the suspension of implementation of electronic permitting services, and community event spending. It would also require increasing the contribution from the General Fund Stabilization account from \$774,764 to \$906,435 to balance the FY 2022 budget.

Because Recommendation 2 would raise less tax revenue, even after substantial cuts, it would fund \$2.03 million of recurring expenses with one-time funding, creating a somewhat larger budget gap in FY 2023 and beyond than Recommendation 1 would.

Both Recommendation 1 and Recommendation 2 propose resuming the Town capital renewal program with \$1.5 million in pay-as-you-go capital projects. Details are provided in enclosure (8).

There are an infinite number of other alternatives for balancing the budget priorities identified. Reserves could be drawn on more heavily to further ease the tax burden or expand services in FY 2022, which would create an even larger budget gap in FY 2023 and beyond. Service

enhancements and existing services could be scaled back more dramatically, which would impact the citizen and student benefit. The capital renewal program could be paused for longer, which could create cost, maintenance, and service delivery challenges. Higher property taxes could be embraced, which might be readily accepted by some residents and have a significant adverse impact on others.

It is fair to say that if one hundred people were asked for a specific answer on how to balance these competing priorities, there would be one hundred different proposals. Recommendation 1 and Recommendation 2 are the Town Manager's attempt to balance the priorities described above priorities at two different tax impact levels, as directed.

In addition to Recommendation 1 and Recommendation 2 for funding Town operations and capital renewal within the tax levy, the Town Manager recommends putting five projects forward for Town Meeting and voter consideration as excluded debt, subject to plebiscite:

<u>Project</u>	<u>Amount</u>	Yr 1 Tax Impact
Hopkins & Middle School Roof Replacement	\$3,000,000	0.35%
Marathon School Classroom Addition (4 Classrooms)	\$3,625,000	0.36%
School HVAC Renewal and Digital Control Upgrade	\$350,000	0.04%
Police Station Roof Replacement	\$250,000	0.03%
Center School Renovation Design Study	\$375,000	0.11%
Total	\$7,250,000	0.89%

If approved by Town Meeting and by voters, the tax impact of these projects would be additive to the tax impacts from Recommendations 1 or 2.

The following notes relate to General Fund Recommendation 1, with a 2.5% tax impact.

The budget includes the following amounts: Operating Departments \$75,212,309; Employee benefits and insurance, \$13,348,914; Payment of principal and interest on debt, \$7,767,670; Contributions to the OPEB Trust Fund, \$410,000; Tax lien administration costs and state funded library funding of \$69,641. Funding for COVID-19 Personal Protective Equipment, \$200,000; and Pay-As-You-Go capital articles, \$1,507,930; for a General Fund Budget of \$98,516,464.

The budget proposes transfers of \$774,464 from the General Fund Stabilization account and \$774,464 from the School Stabilization Fund to support requested spending levels. The Commonwealth of Massachusetts recommends as a guideline that Towns target a General Fund Stabilization balance of 5% of the General Fund budget. For this proposed budget, that 5% target would be \$4,826,445. After the planned withdrawal from the General Fund Stabilization account, the balance (before investment returns) would be \$3,080,925, which will be 64% of the recommended reserve level. The Town also holds a Capital Stabilization Fund with a balance of

\$334,485, and the School Stabilization Fund would have a balance (on hand and in receivables due by 06/30/2021) of \$2,531,704 after the proposed withdrawal; reflecting additional financial strength.

The General Fund Budget is supported by \$1,549,528 which is proposed to be drawn from General Fund and School Stabilization Funds, by \$2,464,031 in "free cash" certified as available from last fiscal year, and by \$94,502,905 in recurring general revenue including property taxes, excise taxes, fees, and state aid. The proposed General Fund Budget is \$4,933,769 above the FY 2021 spending level, including an expected \$2,000,000 in property tax revenue from new growth, and \$1,774,767 will come from the allowed 2.5% growth in the tax levy base.

New growth from the addition or improvement of residential, industrial, and commercial real property and business personal property is expected to be \$2,000,000, down \$135,061 from last year's actual new growth of \$2,135,061. The amount of free cash applied for capital, reserves, and operating expenses from previous fiscal years is \$2,464,031, up \$1,036,537 from the amount applied last fiscal year. The Town's goal is to use free cash as a supplemental source of funding for improving reserves, and \$410,000 of free cash is being recommended as a contribution to the OPEB Liability Trust Fund. Net revenue from the Commonwealth of Massachusetts as local aid is projected to be \$8,627,177. If support from the Commonwealth is materially less, additional budget adjustments will be required. Local receipts are conservatively estimated at \$3,808,347. Other available funds include ambulance receipts, and other miscellaneous sources; and that category of revenue will provide \$1,016,506, a decrease of \$74,171 arising from an increase in public safety funding from the Legacy Farms HCA, offset by a decrease in support from the Hopkinton Library Foundation following the fulfilment of a generous multi-year gift to provide \$1,000,000 for the renovation of the Library.

Changes in spending by government function categories under Recommendation 1 are as follows:

General Government	\$4,926,350	+3.16%
Municipal COVID-19 PPE	\$200,000	New Category
Public Safety	\$7,359,365	+5.51%
Education*	\$54,643,824	+5.32%
Public Works	\$6,214,621	+3.63%
Health and Human Services	\$1,213,615	+11.12%
Culture and Recreation	\$854,534	+9.47%
Employee Benefits and Insurance	<u>\$13,348,914</u>	+5.79%
Spending on Functions	\$88,761,223	+5.51%

<sup>\*</sup>Includes Hopkinton Public Schools and Regional Vocational School Tuition

A detailed listing describing Recommendation 1 is presented in summary on enclosure (1), and in detail in enclosures (2), (3), and (4).

The following notes relate to General Fund Recommendation 2, with a 1.0% tax impact.

Recommendation 2, with a 1.0% tax impact is a variation of recommendation 1 with the following differences:

- FY 2021 service levels are preserved in both recommendations
- Recommendation 1 provides for more services enhancement to accommodate community growth and demands than recommendation 2 does; specifically funding for the Hopkinton Public School request for growth related program enhancements are funded \$688,000 below the level in recommendation 1; and \$185,800 in other departmental growth requests
- The amount to be raised from property taxes is \$1,005,471 lower under recommendation 2 than under recommendation 1
- The amount proposed to be drawn from the General Fund Stabilization account under recommendation 2 is \$906,435, which is higher than the \$774,764 proposed to be drawn from the General Fund Stabilization under recommendation 1
- The resumption of the capital renewal program is the same in Recommendation 2 as in Recommendation 1

Changes in spending by government function categories under Recommendation 2 are as follows:

General Government	\$4,845,550	+1.47%
Municipal COVID-19 PPE	\$200,000	New Category
Public Safety	\$7,359,365	+5.51%
Education*	\$53,955,824	+3.99%
Public Works	\$6,124,621	+2.12%
Health and Human Services	\$1,213,615	+11.12%
Culture and Recreation	\$839,534	+7.55%
Employee Benefits and Insurance	<u>\$13,348,914</u>	+5.79%
Spending on Functions	\$87,887,423	+4.48%

<sup>\*</sup>Includes Hopkinton Public Schools and Regional Vocational School Tuition

A detailed listing describing Recommendation 2 is presented in summary on enclosure (1), and in detail in enclosures (5), (6), and (7).

#### The following notes relate to accounts outside the General Fund:

The Community Preservation Funds from statutory surcharges on property taxes projected at \$1,346,119, of which \$1,146,119 is projected from property tax bills and \$300,000 from State matching funds support. The state match in FY2021 was \$334,847 and received in December 2020. The Community Preservation Funds budget includes pay-as-you-go capital improvements at \$657,000; with the following balances:

Historic Resources	\$466,387
Community Housing	\$856,372
Open Space	\$1,024,575
Recreation	\$772,032
<u>Undesignated</u>	\$2,691,643
Total	\$5,811,009

Enterprise revenues are projected as follows:

	Water Enterprise	\$2,486,862
`	Sewer Enterprise	\$2,388,848

As the budget review progresses, I will continue to monitor and report to the Board on the refinement of current estimates involving one-time and recurring sources of revenue, projected expense amounts, new growth estimates, snow and ice removal expenses, and the status of the tax overlay account.

As in past years, I would like to remind senior citizens of the Town's Senior Citizen Tax Relief program. Program information is available from the Assessor's Office in Town Hall, by phone, or on the Town website.

Finally, I would like to thank Town Hall Staff, Department Heads, and Town Boards, Commissions, and Committees for their collaborative effort and continued support in bringing these two budget recommendations to this point for consideration. The "One Town, One Solution" approach will continue to guide the ongoing dialogue involving Town residents for the further refinement of the budget leading up to the 2021 Annual Town Meeting.

1. Main Street Corridor Project: Per Town Engineer:

- a. The Main Street Corridor project website <a href="www.hopkintonmainstreet.com">www.hopkintonmainstreet.com</a> has been launched. At the time of writing this report the site has registered approximately 145 subscriptions.
- b. Following the completion of survey work, the MassDOT contractor, A.F Amorello will mobilize on the site on March 8, 2021. As is standard with this phase of project construction, the contractor will also install variable flashing message boards and other related construction signage. The week of March 15th, active construction, with police details in place, will begin at the East Main Street/Ash Street area during the week between 7am and 3pm. Abutting homes and businesses will be notified directly and in advance of any work that will temporarily impact vehicular access to their properties as construction advances.
- 2. *All-Hands Meeting:* The meeting is set for March 3, 2021, 6:00 p.m.- 8:00 p.m. The agenda is as follows:
  - a. 6:05 Welcome and Introduction of Facilitator
  - b. 6:05 Instructions and Town Manager Vision and Goals
  - c. 6:15 Department Vision, Goals, and Projects
  - d. 7:10 5 minute break
  - e. 7:15 Questions from boards/committees
  - f. 7:55 Concluding remarks and next steps

#### NOTICE OF DECISION

Notice is hereby given that the Board of Appeals of the Town of Hopkinton, MA, on February 17, 2021, filed the following Decision in the Office of the Town Clerk:

• A Decision granting Special Permits and a Variance to Custom Nest Builders, LLC, 12 Lenox Drive, Franklin, MA, pursuant to Sections 210-128.C, 210-119 and 210-11.D of the Zoning Bylaw for construction of a new single family dwelling at 2 Oakhurst Road, Hopkinton, MA, that does not conform to the side yard width and the setback from street line requirements.

A copy of the Decision may be obtained at the Office of the Town Clerk or the Department of Land Use, Planning & Permitting at the Town Hall, 18 Main Street, Hopkinton, MA. Appeals of the Decision, if any, shall be made pursuant to M.G.L. Chapter 40A, Section 17, and shall be filed within twenty (20) days after the date of filing of the Decision with the Office of the Town Clerk.
