**All Lowwapaneu Lodge Arrowmen Planning to Help With
the 2017 Unit Elections Process Welcome**

The Lowwapaneu Lodge Unit Elections Committee will be offering an elections training session. In addition to presenting an overview of the entire OA unit elections process, this session will focus on the responsibilities of election team members.

This will be an excellent orientation to the elections process for those who have never served as election team members and a great refresher/update session for veterans of the election process.

Hope to See You on December 4th!
