

RECRUITMENT: LEEDS CLIMATE CHANGE CITIZENS' JURY

September 2019

The tables from the Sortition Foundation below show, in the first column, the percentage breakdowns of the wider population (wherever possible based on statistics for Leeds in each category). The second column shows the percentage breakdown of those that applied to join the jury and the third column shows statistics for those who were invited to attend the first session.

Male / female

Age

Indices of multiple deprivation

Concern about climate change

Disability

Ethnicity
