

# THE FORCE FOR NATURE RANGER APP FOR RANGERS, BY RANGERS

Become a part of our new community app connecting Rangers in your country and around the world.

**DOWNLOAD IT NOW**

Search for Force For Nature Ranger App. Download and get posting! Also available as a webapp: <https://rangerapp.forcefornature.org>

## FORCE FOR NATURE

Force for Nature is committed to assisting Rangers with their critical work at the forefront of conservation. The Ranger App is designed to connect the global community of Rangers, help unify knowledge and improve welfare and support.

### SECURITY & PRIVACY

Force For Nature is not an operational tool. It is an online community for social interaction and learning. Your information will be protected by strict data protocols.

## JOIN THE RANGER APP!

### WHAT YOU CAN DO ON THE APP

- Post your stories, share & comment
- Connect with new colleagues
- Read conservation & Ranger news
- Stay in contact with IRF
- Explore education topics
- Discover projects around the world
- Chat with Rangers
- Advance your career
- Evolve conservation

'The International Ranger Federation (IRF) is delighted to introduce the Force For Nature Ranger App. It can increase the effectiveness of Rangers by connecting the community and providing opportunities for support and knowledge. I would like to encourage Rangers to download the app and start connecting and sharing!' Chris Galliers President, International Ranger Federation
