OpenPOWER™ Summit 2018

MGM Grand Las Vegas
March 19, 2018

Call for Presentations/Speakers

The **OpenPOWER Foundation** invites Members, researchers, hardware and software developers, ISVs and academics worldwide to apply to present on topics of interest at the third annual **OpenPOWER Summit.**

Keynote and Member presentations will be delivered on **March 19** to an audience of OpenPOWER members, press, analysts, technology visionaries, industry peers and academics

- Speakers receive a complimentary full conference pass to the **OpenPOWER Summit** and **IBM Think 2018**
- Presentation lengths range from 15 to 30 minutes

Please submit a brief application to **Summit-2018-US-speakers@openpowerfoundation.org** on a single page, PDF format. Include the speakers bio, organization (if applicable), presentation objective(s) and abstract. As a technical event, preference will be given to sessions of a technical rather than commercial nature.
