MAKERWIZ
INSPIRING BOUNDLESS CREATIVITY

MakerBot and its Silver Partner Makerwiz are coming to the Richmond Public Library on June 9! In this Lunch-and-Learn session, you will learn about the MakerBot 3D Printing Ecosystem and why it is a powerful environment for STEM education. You will also see the new MakerBot Replicator+ and Replicator Mini+ 3D Printers in action.

**Come join us for a fun-filled
lunchtime workshop!**
