

MINUTOR ENERGIA POLISH OPEN CHAMPIONSHIP 505 CLASS
2-4 September 2022
Dziwnów, Poland

The venue

MARINA: ŻEROMSKIEGO 30, 72-418 DZIWNÓW

SAILING AREA - BALTIC SEA

505

The regatta will take place on the open waters of the Baltic sea.

As it happens in early September in the Baltic Sea, you can expect perfectly varied conditions. From a light breeze with a small wave to strong winds, which in combination with big waves gives you incredibly positive sailing emotions.

The regatta will be a 505 only, this means that the water will be only for the 505 class!

MARINA DZIWNOW

505

The Marina is very well equipped and prepared to accommodate a large number of yachts. Several World Championship regatta for dinghies were organized in Dziwnów last years.

We will have 4 slipways at our disposal, which will allow for quick launching of boats. The port also offers free parking and a place for parking road trailers. There is a restaurant in the port that will provide hot meals and cold drinks immediately after the race ... and a breakfast too.

GETTING TO DZIWNÓW

Dziwnów is located at the North-West corner of Poland. It takes around 2.5h drive to get to Dziwnów from Berlin, 3.5h drive from Rostock and only 40 minutes from ferry terminal in Świnoujście!

ACCOMMODATION

The beginning of September is the end of the holiday season in Dziwnów, this means that availability of accommodation becomes large. There are many apartments and rooms for rent at affordable prices near the marina, so everyone will find something for themselves. There is also an option to come by Camper-Van and stay in the Marina.

SEE YOU SOON!
