

The ACT Junior Chess League presents the 2021 UNDER 8 CHESS CHAMPIONSHIPS!

(the event for Canberra's tiniest champions!)

This event is suitable for all eligible players who can confidently move the chess pieces around the board. Chess Clocks will be used and children who have not used clocks before, or have not participated in competitive chess before, will receive instructions and assistance (particularly in the early rounds). Between 30 and 40 **potential grandmasters** have contested this event in each of the last few years, ranging from the very experienced to (almost) complete novices. All players compete for all rounds unless byes occur. Nobody is "eliminated" during the day. **We suggest all parents of "first-timers" stay for at least 1-2 rounds to be sure their child is comfortable & happy with their participation.**

Seven rounds will be played with each player having 15 minutes to complete their moves (maximum game time 30mins). At the completion of the final round, trophies will be presented to the 1st, 2nd, 3rd, 4th and 5th placegetters and first Under 6. **All children will receive a participation ribbon.**
