with Step Rowe

Keene Studios is proud to announce our Summer Kids Acting Workshop! Our workshop is fastpaced, positive, and enabling. Improvisation and focusing exercises, as well as cold reading, comedy and timing, working with camera, acting (professional techniques), interview, scene study, and on-set expectations will be covered. Step's techniques include not simply "directing" young people, but coaching them in the same acting techniques that adult professional actors use. She breaks complicated personalization into basic, easy to understand application.

Students think they are making scenes and characters "more fun" when, in fact, they are learning how to connect to the material in a way that makes performances less theatrical, less over-thetop, but no less passionate. If your student has performance or theatre experience, there is no better coach to help them transition to on-camera success.

Instructor Step Rowe has long been one of the most highly recommended acting coaches for youth in the Central Texas area. She has state certification and holds a BFA from the University of Texas.
