

CONCORD AREA HUMANISTS

On Wed Oct 7, Mark Golden and his wife Jill Charney will speak about their travels in the Middle East and their video "*Voices of the West Bank and Israel*". Discussion will follow. Social 7 PM, program 7:15 PM, at First Parish, 20 Lexington Rd, Concord MA.

Mark will use his video to address this controversial topic which many non-Jews find difficult when discussing Palestine/Israel issues with Jewish friends and neighbors. They hope this video will stimulate discussion and motivate action for a peaceful and just resolution to this ongoing conflict

Mark is a therapist in private practice in Newton. Jill, now retired, worked for 30 years as a counselor in the Somerville school system.
