Program Session

Thursday, February 9th

SS006: Program Review Process for Programs
 2:00-3:20 p.m.
 Meeting Room Level
 Room 401

Focus will be on 2020 Standards. The session will provide an overview of NASP program accreditation. Participants will learn about completing the submission, writing narrative sections, documenting assessments, reporting data, and providing evidence that meets NASP standards. Discussion of transition from CAEP to NASP accreditation process will take place. Session is intended for faculty and program coordinators.
