- Self-service website access for real-time survey data and dashboard metrics
- Excel download of all data upon survey close
- Survey may be open for up to 12 months
- Branded with your organization's logo
- Available in other languages with translations provided (Detera does not provide translation service)

5" x 7" Educational Postcard

HELP US DEACTIVATE MORE DRUGS!

Safely Destroy Drugs - Not the Environment.

Deterra® is the only independently tested, safe and environmentally sound solution to permanently destroy prescription and over the counter medication from the comfort of home.

Why is safe drug disposal important?

- Proper disposal keeps children, pets and others safe from accidentally ingesting unused or expired drugs
- By deactivating drugs, Deterra ensures dangerous medications won't contaminate our ecosystem

Deterra is:

- Proven to permanently destroy active ingredients, so they can't be accidentally ingested, stolen, abused or leaked into our ecosystem
- Made from environmentally sound, non-toxic materials

SAFELY DESTROY MEDICATIONS AT HOME - FOR GOOD.

Deterra is a simple, safe medication disposal system that prevents drug abuse by permanently deactivating pills, patches, liquids, creams and films* right at home.

Simple, Safe & Permanent

- 1** Place medication in pouch
- 2** Fill pouch halfway with water
- 3** Shake and dispose in trash

*The deactivation process starts immediately but can take time to complete.

Create a custom postcard with your organization's logo and valuable information like Deterra instructions, hotline numbers and prevention tips.

- Front and back printing
- Use your existing artwork or we can create a custom design
- Option to add mail-back survey or QR code with link to online survey
- Includes low tack adhesive that securely holds postcard to pouch without tearing
