Miscellaneous

White Water Marine has you covered for those hard to find items for your sail or powerboat. From compass or mast guards, to radar arches, we can provide you with the part you require.

Attention powerboat owners, need a new bow rail? White Water can fabricate one for you. We have built & shipped powerboat rails in tube diameters from 7/8" to 1-1/4" and as long as 36 feet. [Give us a call, or e-mail](#) us and we'll discuss your needs and send you a measuring guide.
