Dear Mr. Rogers:

Thank you for your email regarding the tragic traffic accident that took the life of Elena Zamora. I share your concern for the safety of pedestrians in our city. After our review of the police investigation into this traffic fatality, our office recommended that the driver in this case be charged with Failure to Yield Resulting in Death, Tennessee Code Annotated Section 55-8-197. The Police Department has charged the driver with that offense.

Thank you for contacting me about this matter.

Yours truly,
