Transition US cordially invites you to celebrate the 10th anniversary of the Transition Movement here in the US. While there are many different ways to do this, we are creating an interactive opportunity where members from all over the US can meet. At the Permaculture Skills Center in Sebastopol (where our Transition US offices are located), we will be both celebrating in-person and joining those from around the country in several recorded and live events. Here is the schedule. Feel free to join us for any or all of the festivities!

- **Rob Hopkins keynote:** 10:30am -11:15am
- **Replicable examples panel:** 11:15am -12:00pm

- **Potluck Lunch and informal discussion:** 12:00 - 1:00 pm

- **Live, interactive session:** 1:00pm - 2:15pm

- **Wider movement panel:** 3:15pm - 4:00pm
- **Visioning, discussion, and closing:** 4:00pm - 4:45pm

The Program Transition US will offer is two 45-minute, never-before-seen, pre-recorded keynotes, as well as two lively panel discussions with national movement leaders, and a *live* 75-minute, interactive gathering that will include an update by Transition US staff, brief celebratory shout-outs from Transition groups around the country, and the presentation of several awards to our grassroots network.
