Conrad Reynoldson
President
Washington Attorneys with Disabilities

Dear Conrad:

The Washington Initiative for Diversity (WID) has an exciting opportunity for members of the legal community to serve on WID's governing board. As an important partner of the Initiative, we would like to invite you to nominate individuals who you believe have an understanding of and a dedication to advancing diversity issues in the legal profession.

WID is dedicated to providing tools and strategies that help legal employers build an inclusive work environment and a diverse workforce. We are a broad-based coalition of legal professionals working to ensure that our profession reflects and serves the diverse communities of Washington State. The ideal board candidate will have an understanding of diversity issues, along with a dedication to making a positive change in the demographics of the legal workforce. Prospective board members should become familiar with WID's mission, goals, and programs in order to provide strategic governance, and should have an ability to collaborate with other board members on projects that will move the mission/goals forward. The candidate must have the capacity to commit to a three-year term, with active participation in monthly board meetings.

To submit a nomination for consideration, please send an email with the name, contact information, and a brief bio to Angela Ballasiotes at director@initiativefordiversitywa.org by June, 14th.

Thank you for your continued support. We look forward to hearing from you.

Sincerely,

Angela Ballasiotes
Executive Director
Washington Initiative for Diversity

Ken Payson
Board Chair
Washington Initiative for Diversity
