

# MCCA GLOBAL TEC FORUM

MCCA Celebrating 20 Years

**Join MCCA at the InterContinental Hotel in San Francisco on June 19-20 for a conference that will overload your circuits!**

G-TEC will feature tech-focused CLEs, Sources of Success™ professional development sessions (for junior to mid-career attorneys), the In-House Counsel Summit, C-Suite Leadership Initiative, and networking opportunities. We will be joined by over 100 GCs and Deputy GCs, and honor MCCA's 2017 Rainmakers at our kickoff plenary luncheon.

#### **G-TEC HOT TOPICS INCLUDE:**

- **Age of AI: How is Artificial Intelligence Transforming and Disrupting the Practice of Law-** What is the impact of AI in litigation and are attorneys going to be replaced by Watson?
- **Get Ready for the Blockchain!** – Almost every major financial institution in the world is currently doing blockchain research and 20% are expected to be using it in 2017. How will these new commerce channels impact your clients and change the game?
- **AI: Artificial Integrity**– The first ethics CLE course of its kind to address the risks, benefits and implications in a world of AI-infused legal services.
