## Achieving Inclusion

### Joint Networking Event

Wednesday, January 21, 2015 | 5:00 pm - 7:00 pm

The Minority Bar Associations, with support from the Washington State Bar Association, **invite you** to a north end networking event in Everett. It's a great opportunity to **meet and mingle** with fellow attorneys in and around the north end.

In 2015 the Board of Governors at-large seat for new and young lawyers will open. The current BOG representative for new and young lawyers, Robin Haynes, will be available to answer questions about the opening, what serving on the BOG is like, and how you can run for the seat.

*Light appetizers will be served with no host bar.*

**RSVP by Tuesday, January 20** to [diversity@wsba.org](mailto:diversity@wsba.org)

Thank you to the following MBAs for supporting this event:
