

[The last king of Texas, Rick Riordan](#) , 2000, 0553801562, 9780553801569. Tres Navarre has a passion for tequila, a Ph.D. in English literature, and a penchant for trouble. He's the smart-mouthed Texas private eye who raked in the Edgar, Shamus, and Anthony Awards. Now acclaimed author Rick Riordan fires up the accelerator in Tres Navarre's hardcover debut--a ninety-mile-an-hour thriller for fans with a taste for Spenser and Elvis Cole, spiced with habanero-hot Tex-Mex flavor. When a controversial English professor is found dead, shot twice in the chest with a .45, Tres Navarre--P.I. and erstwhile Berkeley Ph.D.--is the only local academic crazy enough to accept the emergency opening at the University of Texas at San Antonio. Police assure Tres they already have a suspect, a stone-cold killer who's just returned from a stint in a Mexican jail and is suspected of murdering a Texas amusement-park kingpin years before. While the police wrap up the open-and-shut case, all Tres has to do is teach three classes, grade on a curve...and walk in a dead man's shoes. It should be an easy assignment. But one thing Tres Navarre doesn't do is easy. When the evidence in the case starts looking a little too perfect, when the killing doesn't stop, Tres takes on some extracurricular research into the heart of an assassin. He quickly becomes embroiled in a nasty tangle of family secrets, backstabbing squabbles for control of a million-dollar amusement ride business, and a high-stakes game of gangster honor on the darkest streets of San Antonio's West Side. Behind it all--the specter of a murdered man who once proclaimed himself the King of the South Texas carnivals. As fast-paced as the Texas Tornadoes, as funny as Lyle Lovett crossed with Kinky Friedman, as soulful as Willie Nelson, The Last King of Texas is an unforgettable, impossible-to-put-down whirlwind of suspense...in which everyone is guilty of something. The cops already have a suspect in the murder of Tres's predecessor at the University of Texas at San Antonio--a stone-cold killer who's spent six years in prison for murdering an amusement-park kingpin. Now Tres takes on some extracurricular research into the heart of an assassin. Suddenly he's on a carousel-ride collision course with a killer--a one-way ticket to betrayal and death in a novel of suspense in which everyone is guilty of something. Lean, mean, and completely lovable, Jackson "Tres" Navarre is a worthy successor to Spenser and Elvis Cole; THE LAST KING OF TEXAS is an impossible-to-put-down whirlwind of a book; and Rick Riordan is the hottest new star in the suspense firmament. -->

[Entrepreneur Training Manual, Third Edition: Certified Entrepreneur Workbook, Erik Bowman](#) , 2011, 0983786291, 9780983786290. This book is the companion workbook to the Certified Entrepreneur(R) Training program core curriculum. The Certified Entrepreneur program is an intensive self-study program offered by the Guanzi Institute for Management and Entrepreneurial Studies. The program is geared towards students who are highly motivated self-learners, can work independently and want to start a business or launch a new product or service. From the back cover... Many Entrepreneurs have learned how to run a business the hard way - they run with an idea without a plan or the foresight needed to avoid costly mistakes. In the Entrepreneur Training Manual, Erik Bowman shares the lessons he has learned through bootstrapping several of his own companies, and empowering entrepreneurs to make the leap, launch a

product or service and use the right tools to get their business up and running.

[Threshold: Byron Kim, 1990-2004, Eugenie Tsai, Byron Kim, Constance Lewallen, Berkeley Art Museum and Pacific Film Archive](#) , 2004, 097193973X, 9780971939738. For the past decade, Byron Kim has maintained a steadfast commitment to exploring the potential for content in abstract painting. Kim's work reflects his attraction to the postwar tradition of monochromatic painting, exemplified by Ad Reinhardt's black paintings and Brice Marden's fields of color. While Kim incorporates the visual language of color and abstraction, he also addresses cultural and personal issues, positioning himself closely with many of his contemporaries, including Glenn Ligon and Felix Gonzalez-Torres. Like Ligon and Gonzalez-Torres, Kim has invested the formal strategies of the 1960s, such as seriality and grids, with private and political significance; the end result resonates with elegance and emotional complexity. Threshold provides an overview of Kim's career from several vantage points: a curatorial essay by Eugenie Tsai on the concept of "threshold" in Kim's work, a conversation with Constance Lewallen, Glenn Ligon, Janine Antoni and Kim on the 1990s art world, an essay on color theory and color in Kim's work by art historian Anoka Faruquee, and a new photo and text project by Kim himself. The publication of Threshold precedes the touring of a major exhibition of Kim's work, which will open at the Berkeley Art Museum and Pacific Film Archive in the fall of 2004 and travel throughout the U.S. for two years.

[The Possibility Dogs: What I Learned from Second-Chance Rescues About Service, Hope, and Healing, Susannah Charleson](#) , 2013, 0547735006, 9780547735009. Reading *The Possibility Dogs* is like taking an amazing literary journey with a dear friend by your side. The characters you meet will enchant you, but the storyteller will capture your heart. If you love dogs, this is a can't-miss book written by a kindred spirit. Jennifer Arnold, author of *Through a Dog's Eyes* and *In a Dog's Heart* After a grisly search-and-rescue operation led to troubling consequences for author Susannah Charleson, she found that her relationship with Puzzle, her search dog, made a surprising contribution to her own healing. Inspired by that experience, Charleson learned to identify abandoned dogs with service potential, plucking them from shelters and training them to work with disabled human partners, to whom the dogs bring assistance, comfort, and hope. Similar to her best-selling first book, *Scent of the Missing*, Charleson's *The Possibility Dogs* goes beyond the science that explains working canines to tell the stories of the dogs themselves. Like Merlin, a black Lab puppy who had been thrown away in a garbage bag and now stabilizes his partner's panic attacks. And service dog Jake Piper, a formerly starving pit bull mix who went from abandoned to irreplaceable. This heartwarming combination of memoir and research is sure to both inform and inspire. What an amazing book. Combine love, knowledge, and real-life drama with pitch-perfect writing, and you'll end up with *The Possibility Dogs*. Simply brilliant! Patricia McConnell, author of *The Other End of the Leash* Insightful and earthy, Charleson is never maudlin. She keeps it real . . . All the stories have tremendous heart and power and you believe Charleson when she writes: Any dog can surprise you, and great dogs can come in odd packages. Boston Globe

[The Art of the Hobbit by J.R.R. Tolkien, J. R. John Ronald Reuel Tolkien](#) , 2012, 0547928254, 9780547928258. J.R.R.

Tolkien's complete artwork for The Hobbit, presented for the first time in celebration of the 75th anniversary. When J.R.R. Tolkien wrote The Hobbit, he was already an accomplished amateur artist, and drew illustrations for his book while it was still in manuscript. The Hobbit as first printed had ten black-and-white pictures, two maps, and binding and dust jacket designs by its author. Later, Tolkien also painted five scenes for color plates, which comprise some of his best work. His illustrations for The Hobbit add an extra dimension to that remarkable book, and have long influenced how readers imagine Bilbo Baggins and his world. Written and edited by leading Tolkien experts Wayne G. Hammond and Christina Scull, The Art of The Hobbit by J.R.R. Tolkien showcases the complete artwork created by the author for his story including related pictures, more than one hundred sketches, drawings, paintings, maps, and plans. Some of these images are published here for the first time, others for the first time in color, allowing Tolkien's Hobbit pictures to be seen completely and more vividly than ever before.

[Music and the Elusive Revolution: Cultural Politics and Political Culture in France, 1968-1981](#), Eric Drott , 2011,

0520950089, 9780520950085. In May 1968, France teetered on the brink of revolution as a series of student protests spiraled into the largest general strike the country has ever known. In the forty years since, May 68 has come to occupy a singular place in the modern political imagination, not just in France but across the world. Eric Drott examines the social, political, and cultural effects of May 68 on a wide variety of music in France, from the initial shock of 1968 through the "long" 1970s and the election of Mitterrand and the socialists in 1981. Drott's detailed account of how diverse music communities developed in response to 1968 and his pathbreaking reflections on the nature and significance of musical genre come together to provide insights into the relationships that link music, identity, and politics.

[Architectural Reflections: Studies in the Philosophy and Practice of Architecture, Colin St. John Wilson](#) , 2000, 0719057043, 9780719057045. For 200 years architecture has been the subject of considerable debate. This work explores the re-interpretations of the original aims and principles of modern architecture, many of which were suppressed in the 1930s and all of which were flouted in the 1960s. Where the postmodern critique takes the form of an attempt to retreat into the past the author of this book argues that a renewal of the overlooked humanist basis of modern architecture is the only sound approach to the future.

[Poland, the United States, and the Stabilization of Europe, 1919-1933, Neal Pease University of Wisconsin at Milwaukee](#) , 1986, 0195364902, 9780195364903. In the eyes of the world, no European country appeared more vulnerable to its enemies or less likely to establish peace with them than inter-war Poland. This is the first full-length study of relations between Poland and the U.S. following World War I, as Poland turned to America to buttress its precarious position. Pease lucidly examines how Polish leaders of the 1920s, discerning America's essential aim of fostering stability in Europe, sought to enlist U.S. political and financial support on behalf of their beleaguered state. Drawing on exhaustive archival research, Pease unravels the fascinating ties between these unlikely diplomatic partners. He reveals how Poland not only had to fight an uphill battle against inter-war America's isolationism, but also had to counter America's reluctance to underwrite a nation surrounded by two strong and hostile neighbors, Germany and the Soviet Union. Poland's plea for political and financial backing was ultimately denied by both the White House and Wall Street with dire consequences for Poland's future and Europe's fragile peace. Authoritative and original, this book is valuable contribution to our understanding of America and Europe during the interwar years.

[Understanding Media Studies, Tony Schirato, Angi Buettner, Thierry Jutel, Geoff Stahl](#) , 2010, 0195565495, 9780195565492. The mass media and popular culture mediate the world for us by providing the images, information, stories, templates and categories we use to see and understand everything around us. Understanding Media Studies is a lively and thought-provoking text that looks at how and why the field of the media has taken on such a central role in contemporary society and culture. Using an up to date framework and current examples, this book guides students from square one to a complex understanding of the key concepts of media analysis. Focusing on the relations between the media and its audiences and users, the book examines the forms of address, strategies, literacies, and practices that characterize those relations. The authors have used recurrent case studies across the chapters to illustrate different concepts, helping students to view forms of media in a number of contexts. FEATURES * A clear structure and good signposting of key concepts allows students to easily navigate the text. * Case studies are integrated into the text to create a strong narrative flow. * Contemporary examples are used to demonstrate the relationship between bodies of theory and socio-cultural practices. * Glossary terms are included in margin notes throughout the text (with a full glossary at the end), making the material more accessible to students. * An integrated Companion Website accompanies the book--providing further information, case studies, and annotated weblinks.

[The Liquid City, Curtis J. Hopfenbeck](#) , 2011, 1453512772, 9781453512777. Shadoc Kilbourne is the consummate intellectual assassin, with an impressive arsenal of both wit and weaponry at his disposal. As Seattle's most successful nightclub owner and restaurateur; he is also a man of great resource, humor and humanity. His lethal charms and deadly ideologies are a devastating double-edged sword; brandished at will to put the bad guys in their place and get the good girls back to his. Driven by vengeance, derived from a painful and poignant past we can only speculate on, his ties to the

highest echelons and lowest corridors of humanity also make him the perfect middleman for those who seek to solicit his fervor and favor in the hunt for his brand of justice, both inside and outside of the law.

[My Brother My Sister: Story of a Transformation, Molly Haskell](#) , 2013, 1101638052, 9781101638057. A feminist film critic's thoughtful, outspoken memoir about transgender and family. On a visit to New York, the brother of well-known film critic Molly Haskell dropped a bombshell: Nearing age sixty, and married, he had decided to become a woman. In the vein of Jan Morris's classic *Conundrum* and Jennifer Finney Boylan's *She's Not There*, a transgender memoir, Haskell's *My Brother My Sister* gracefully explores a delicate subject, this time from the perspective of a family member. Haskell chronicles her brother Cheve's transformation through a series of psychological evaluations, grueling surgeries, drug regimens, and comportment and fashion lessons as he becomes Ellen. Despite Haskell's liberal views on gender roles, she was dumbfounded by her brother's decision. With candor and compassion, she charts not only her brother's journey to becoming her sister, but also her own path from shock, confusion, embarrassment, and devastation to acceptance, empathy, and love. Haskell widens the lens on her brother's story to include scientific and psychoanalytic views. In an honest, informed voice, she has revealed the controversial world of gender reassignment and transsexuals from both a personal and a social perspective in this frank and moving memoir.

[Borderline Personality Disorder: An Evidence-based Guide for Generalist Mental Health Professionals, Anthony W. Bateman, Roy Krawitz](#) , 2013, 0199644209, 9780199644209. Over the past two decades considerable progress has been made in developing specialist psychosocial treatments for borderline personality disorder (BPD), yet the majority of people with BPD receive treatment within generalist mental health services, rather than specialist treatment centres. This is a book for general mental health professionals who treat people with borderline personality disorder (BPD). It offers practical guidance on how to help people with BPD with advice based on research evidence. After a discussion of the symptoms of BPD, the authors review all the generalist treatment interventions that have resulted in good outcomes in randomised controlled trials, when compared with specialist treatments, and summarise the effective components of these interventions. The treatment strategies are organised into a structured approach called Structured Clinical Management (SCM), which can be delivered by general mental health professionals without extensive additional training. The heart of the book outlines the principles underpinning SCM and offers a step-by-step guide to the clinical intervention. Practitioners can learn the interventions easily and develop more confidence in treating people with BPD. In addition, a chapter is devoted to how to help families - an issue commonly neglected when treating patients with BPD. Finally the authors discuss the top 10 strategies for delivering treatment and outline how the general mental health clinician can deliver these strategies competently.

[Night Glitter, Jill Shure](#) , 2010, 0982410514, 9780982410516. In Night Glitter, Jill Shure's long-awaited sequel to her Ben Franklin Award-winning novel, Night Jazz, the story of Jeri Devlin continues. It's 1932. The Great Depression has left Jeri and Lex bankrupt and Lex fighting for his life against a deadly illness. While Lex convalesces, Jeri becomes embroiled in a murderous game of cat-and-mouse with two mobsters hell-bent on revenge. Alone and desperate, Jeri is forced to flee New York and travel west to the dazzling world of Hollywood. Jeri soon discovers that Hollywood's glamour cloaks a soul-stealing darkness hidden just below its glossy surface. There, Jeri comes face to face with her ancestors, finds sanctuary in a brothel, and is forced into servitude with a movie star diva intent on hiding ruinous secrets of her own. Alone and conflicted, Jeri must find a way back into the arms of the man she loves.

[The Chronicles of Faerie: The Summer King, , O.R. Melling](#) , 2006, 0810959690, 9780810959699. Sequel to the critically-acclaimed "The Hunter's Moon" This second book in a series "shimmering with magic, myth, and romance" ("Booklist"), follows sixteen-year-old Laurel as she tries to understand the cause of her twin sister's mysterious death. Honor believed in Faerie, a parallel land of mischievous immortals. Laurel doesn't. That is, until the fairies come and ask her to take up her sister's failed quest to find the Summer King, a lord who can light the midsummer fire that keeps the two worlds, human and Faerie, cleaved. Laurel must decide to help those whose cause killed her sister, and, in the process, come to believe that there is still magic-and love-in the world. Lush descriptions of Ireland and Celtic lore make this a satisfying

read for travelers to other lands, real and mythic. Praise for "The Hunter's Moon" *"A compelling blend of Irish mythology and geography." - "School Library Journal" (starred review) ..."[This] sensation-loaded celebration of Ireland and Faerie will be a powerful draw for many readers." - "The Bulletin of the Center for Children's Books"

[An Archaeobotanical Guide to Root and Tuber Identification: Europe and South West Asia, , Jon G. Hather](#) , 1993, 0946897557, 9780946897551. A visual index of photographs for identifying charred remains of roots and tubers from archaeological sites in Europe and the Near East. Although often present in archaeological deposits the charred remains of vegetative organs, roots, tubers, rhizomes and corns are rarely, or erratically, identified. This manual covers Europe and the Near East.

[The Open Bible, Daniel Rendelman](#) , 2010, 1453830715, 9781453830710. The Open Bible is your guide to the weekly Torah portion from a perspective focused on better understanding and applying the Word to every day life. This Messianic book is massive in scope but easy to understand thanks to the writing by Daniel Rendelman. With the Open Bible you know the Written Torah and the Living Torah. Use the Open Bible for personal study, group discussions, or as an instructional guide for your class or congregation. Each week you will read about the Messiah in the Torah, learn how to apply the Torah to your life, and find many discussion questions to aide your study. Learn more at www.emetministries.org.

[Quotes for Singles, Bimbo Odukoya](#) , 2010, 1615797416, 9781615797417. Success in life is about building the right relationships. Regardless of the kind, one common factor in all your relationships is you. Quotes for Singles is a collection

of some of the nuggets used by Pastor Bimbo during counselling and ministrations. It is about making the right choices in the process of building relationships. Short and simple, each quote with the accompanying Scriptures will help you get the best out of your relationships. Pastor Bimbo Odukoya was the co-pastor of The Fountain of Life Church, Lagos-a church that is committed to raising leaders, and was the president of Single & Married, a ministry that has been widely acclaimed for preparing youths and couples for fulfilling and lasting relationships. Her popular television programme Single & Married is still being broadcast on several stations across Africa, Canada and the United Kingdom, long after her passing on to glory in December 2005. She was also the chairperson of Discovery for Women, a ministry dedicated to inspiring women in their roles as mothers and leaders. A highly-sought-after speaker, she ministered on practically every Nigerian university and polytechnic campus. This was in addition to running regular columns in several newspapers and magazines. She received numerous awards, including a couple of honorary doctorates, in recognition of her contributions to the society. She was married to Pastor Taiwo Odukoya and blessed with three children.

[Design for Society, Nigel Whiteley](#) , 1993, 0948462655, 9780948462658. Although design has become eminently newsworthy among the general public in our society, there is very little understanding to be found of the values and implications that underlie it. Design generates much heat but little light: we live in a world that has much design consciousness, but little design awareness. Nigel Whiteley analyses design's role and status today, and discusses what our obsession with it tells us about our own culture. Design for Society is not an anti-design book; rather, it is an anti-consumerist-design book, in that it reveals what most people would agree are the socially and ecologically unsound values and unsatisfactory implications on which the system of consumerist design is constructed. In so doing, it prepares the ground for a more responsible and just type of design.

[American Issues: Since 1865, , Irwin Unger, Robert R. Tomes](#) , 2002, 0130940186, 9780130940186. Compelling readers to grapple with the same ambiguous raw materials that historians process to reach their own conclusions, this enlightening study of American history presents an anthology of primary documents, letters, and articles in which participants and contemporary observers express their opinions, make their observations, and reach their conclusions about events and issues of their own day that affected the nation and the American society as a whole. Presents a diverse array of original readings and documents that capture the essence and character of America's history from 1865 to the present day. Addresses a range of political questions, and social, cultural, economic, and gender problems and issues -- providing differing and often conflicting/contrasting points of view regarding particular issues. Considers issues related to political and economic trends of the new millennium, and covers relevant contemporary concerns that were prevalent in past times, such as environmental protection and conservation, the impact of technology on society, legal

and ideological definitions and conceptions of freedom, civil rights and liberties, and the toleration and acceptance of cultural diversity. Explores shifting political trends and fashions -- most notably the triumph of conservatism in the last 30 years, the enduring inherent tensions of American democracy such as church-state and federal-state government relations, and the importance of demographic transition in shaping political landscapes. Part of a two-volume series.

[The Adoration of Jenna Fox, Mary E. Pearson](#) , 2009, 1741756405, 9781741756401. "Jenna Fox wakes from a year-long coma following a devastating accident, her memory a blank. One day she can't walk; the next she can. One day her right eyelid droops; the next it doesn't. Her parents call her recovery a miracle but at what cost has it come? What are they hiding from her? And why does her grandmother, Lily, hate her so? When the memories do come, they're more than anyone bargained for, and as Jenna struggles to work out who she is, and what exactly makes us who we are, one thing becomes very clear: Jenna Fox is no ordinary teenage girl."--Provided by publisher.

[The Intertwined Experience, Daniel Ponce](#) , 2013, 0988540932, 9780988540934. Having a companion is one of the fundamental components in life. With your companion, life becomes more complete and fulfilling. This first of two books is written to encourage you, through an inward journey of deep self-reflection, to offer you a more clear perspective of who you have become. By being objective about your strengths, weaknesses, and understanding how you have come to be the way you are, you can better enter a relationship knowing what you are offering your partner as well as what you are looking for in a relationship. Through this objective approach to relationship building, you can create a stronger foundation in your current as well as future relationships.

The tenth book in the series, Jumbo Sudoku Explosion covers 8 different puzzles and is for every Sudoku fan at every level. Included are over 250 brand-new puzzles to challenge and entertain those new to solving as well as die-hard fans. Each puzzle is on an oversize grid and included are the regular puzzles plus Kakuro, Killer, Samurai, Overlap and more!

[Tell Her that I Love Her, Somebody's Daughter Theatre, Maud Clark](#) , 1993, 0958755701, 9780958755702.

[Research Methods in Palliative Care, Julia M Addington-Hall](#) , 2007, 0198530250, 9780198530251. Palliative and end of life care are concerned with the physical, social, psychological and spiritual care of people with advanced disease. It currently has a poorly developed research base, but the need to improve this is increasingly recognised. One of the

reasons for the lack of research - and the variable quality of the research that is undertaken - is the difficulty of conducting research with very ill and bereaved people. Standard and well-established research methods may need to be adapted to work in this context. This means that existing research methods textbooks may be of limited use to palliative care practitioners seeking to do research for the first time, or to more experienced researchers wanting to apply their knowledge in palliative care settings. This research methods textbook is the first to be written specifically for palliative care. It has been edited by four experienced palliative care academics with acknowledged expertise and international reputations in this field. It encompasses methods used in both clinical and health services research in palliative care, with sections on clinical, epidemiological, survey and qualitative research, as well as a section covering skills needed in any research project. Each chapter provides readers with an up to date overview of the research method in question, an understanding of its applicability to palliative care and of the particular challenges of using it in this setting. It is essential reading for all palliative care researchers.

[Winogrand: Figments from the Real World, John Szarkowski](#) , 2003, 0870706357, 9780870706356. Back in Print! The first comprehensive overview of the work of Garry Winogrand, long out of print and difficult to come by, contains an eloquent and important essay on the life and work of the photographer by John Szarkowski and a lavish plate section presenting the photographs thematically. Grouped under the following titles-- Eisenhower Years, The Street, Women, The Zoo, On the Road, The Sixties, Etc, The Fort Worth Fat Stock Show and Rodeo, Airport and Unfinished Work-- many of the 179 plates are works that had never before been published. The last section includes 25 pictures chosen from the enormous body of work that Winogrand left unedited at the time of his death in 1984. In his essay, Szarkowski, who knew the photographer well during most of his career, describes the development of Winogrand's pictorial strategies during his years as a photojournalist, the increasing complexity of his motifs as he pursued more personal goals, and the challenge posed for other photographers by the powerful and distinctive authority of Winogrand's best work, "with its manic sense of a life balanced somewhere between animal high spirits and an apprehension of moral disaster."

[The Gruffalo Song and Other Songs, Julia Donaldson](#) , 2006, 0330448420, 9780330448420. The Gruffalo returns with his very own song to introduce a truly monster music session! As well as being the UK's most successful picture book author, Julia Donaldson is a gifted songwriter for children. This volume contains nine of her best-loved songs, including The Gruffalo, A Squash and a Squeeze and Monkey Puzzle, as well as a number of fun-filled action songs. Each score includes piano accompaniment and guitar chords. The songs will be familiar to anyone who has heard them on TV or radio or enjoyed one of Julia's hugely popular live performances. Now everyone can sing along!

[Php and Script. Aculo. Us Web 2.0 Application Interfaces, Sridhar Rao](#) , 2009, 1847194052, 9781847194053. This book has a fast-paced and practical approach. It focuses on features, tutorials, quick-explanations, tips-n-tricks, and live real-world examples, using script.aculo.us. It contains complete code for all projects, all in an AJAX way. The author uses his vast experience as a programmer to show an interesting and creative way of building web applications. This book is for web developers who build simple yet agile and useful web applications. It is useful for PHP beginners and assumes basic knowledge of HTML, CSS, JavaScript, and PHP. The examples in the book use PHP, but can be adapted easily to other languages.

[Elementary Differential Geometry, Revised 2nd Edition, Barrett O'Neill](#) , 2006, 0080505422, 9780080505428. Written primarily for students who have completed the standard first courses in calculus and linear algebra, ELEMENTARY DIFFERENTIAL GEOMETRY, REVISED SECOND EDITION, provides an introduction to the geometry of curves and surfaces. The Second Edition maintained the accessibility of the first, while providing an introduction to the use of computers and expanding discussion on certain topics. Further emphasis was placed on topological properties, properties of geodesics, singularities of vector fields, and the theorems of Bonnet and Hadamard. This revision of the Second Edition provides a thorough update of commands for the symbolic computation programs Mathematica or Maple, as well as additional computer exercises. As with the Second Edition, this material supplements the content but no computer skill is necessary to take full advantage of this comprehensive text.*Fortieth anniversary of publication! Over 36,000 copies sold worldwide*Accessible, practical yet rigorous approach to a complex topic--also suitable for self-study*Extensive update of appendices on Mathematica and Maple software packages *Thorough streamlining of second edition's numbering system*Fuller information on solutions to odd-numbered problems*Additional exercises and hints guide students in using the latest computer modeling tools

[The Gospel According to the Son: A Novel, Norman Mailer](#) , 1999, 0345434080, 9780345434081. For two thousand years, the brief ministry of a young Nazarene preacher has remained the largest single determinant of Western civilization's triumphs and disasters. Now, Norman Mailer has written a novel about Jesus's life. Is God speaking to me? Jesus asks. Or am I hearing voices? If the voices are from God, why has He chosen me as His son? And if they are not from God, then who gave me the power to perform these miracles? It soon becomes evident that we are being told the story of a skilled and most devout carpenter who is living with prodigious questions. The result is an intimately readable account of a man thrust forward by the visions he receives, the sermons he offers, and the miracles he enacts until he comes to the apocalyptic end of his powers. The Gospel According to the Son vividly recreates the world of Galilee and Jerusalem two thousand years ago. In a time of uneasy stability, the Holy Land is governed by a complacent but fearful establishment who rule over a despairing underclass -- it is a time of great change, open to comparison with our own. Mailer's signal accomplishment is to create for us a man wholly unlike others who is nonetheless filled with passion and

doubt, strength and weakness; a protagonist divine and human, a son of God who shares our condition. In The Gospel According to the Son, one of America's greatest living writers has brought us a remarkable book -- by turns bold, thoughtful, poetic, tragic, passionate, and, to our surprise and pleasure, suspenseful. From the Hardcover edition.

[Miracles of John Paul II, Pawel Zuchniewicz](#) , 2006, 0978097904, 9780978097905. An instant best-seller when released in Europe in January, this powerful book describes the life and impact of Pope John Paul II as told by individuals from all over the world who give moving personal testimonies of how they experienced healings through the intercession of Pope John Paul II during his lifetime. From little children to old age adults, including Cardinals, well-known lay people and many others, these detailed testimonies reveal amazing healings and answers to prayers through the direct intervention of John Paul II while still alive. This book also takes us behind the scenes of the May 13, 1981 assassination attempt on the Pope in St. Peter's Square, shedding new light on this event by presenting it in the context of the Third Secret of Fatima. World Youth Days are also examined, revealing the incredible spiritual impact the Pope had on the young people as testified by many of the youth at WYD events all over the globe.

[Mastermind: How to Think Like Sherlock Holmes, Maria Konnikova](#) , 2013, 1101606231, 9781101606230. The New York Times bestselling guide to thinking like literature's greatest detective No fictional character is more renowned for his powers of thought and observation than Sherlock Holmes. But is his extraordinary intellect merely a gift of fiction, or can we learn to cultivate these abilities ourselves, to improve our lives at work and at home? We can, says psychologist and journalist Maria Konnikova, and in Mastermind she shows us how. Beginning with the brain atticHolmess metaphor for how we store information and organize knowledgeKonnikova unpacks the mental strategies that lead to clearer thinking and deeper insights. Drawing on twenty-first-century neuroscience and psychology, Mastermind explores Holmes unique methods of ever-present mindfulness, astute observation, and logical deduction. In doing so, it shows how each of us, with some self-awareness and a little practice, can employ these same methods to sharpen our perceptions, solve difficult problems, and enhance our creative powers. For Holmes aficionados and casual readers alike, Konnikova reveals how the worlds most keen-eyed detective can serve as an unparalleled guide to upgrading the mind.

[175 Best Babycakes Cupcake Maker Recipes: Easy Recipes for Bite-Size Cupcakes, Cheesecakes, Mini Pies and More!.](#)

[Kathy Moore, Roxanne Wyss](#) , 2011, 0778802833, 9780778802839. They may be called "Babycakes," but the results are definitely grown up. The Babycakes Cupcake Maker is one of the most popular entries into the small appliance category in recent years. Over one million units of this nifty and charming appliance were sold last year, with the numbers only expected to increase as news, reviews and word spread about this ingenious appliance. The Babycakes Cupcake Maker is a stand-alone appliance that sits on the countertop, has a cooking area and closes with a hinged and handled lid. It

features a nonstick surface that contains eight compartments for baking cupcakes, muffins, cheesecakes, hand pies and tarts, quiches, scones, pot pies or appetizers. It's hugely efficient -- it can bake eight cupcakes in just five to eight minutes -- so you can begin to understand the huge appeal. It also comes with an icing bag, decorating tips and crust tools to ensure perfect results every time. These deliciously delightful recipes have been created specifically for use in the maker and go from breakfast to bridal showers to after-school snacks and elegant parties. They include: Red velvet cupcakes Cookies and cream cupcakes Pink lemonade cupcakes Black forest cupcakes Mojito tart cupcakes Pumpkin cheesecake Almond raspberry cheesecake Southern pecan pie bliss Coconut cream tart Bacon, egg toast cup Cheesy hash browns Spicy empanadas with three fillings Homestyle pot pies Fresh tomato pizza bites Artichoke tomato bundles. Fun, fast and delicious -- what more could you ask?

[The Temple of My Familiar, Alice Walker](#) , 2011, 1453223991, 9781453223994. In Walkers follow-up to *The Color Purple*, webs of characters are drawn toward critical confrontations with history In *The Temple of My Familiar*, Celie and Shug from *The Color Purple* subtly shadow the lives of dozens of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie's own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. As Walker follows these astonishing characters, she weaves a new mythology from old fables and history, a profoundly spiritual explanation for centuries of shared African-American experience. This ebook features an illustrated biography of Alice Walker including rare photos from the authors personal collection.

[Resource Abundance and Economic Development, R. M. Auty](#) , 2001, 0199246882, 9780199246885. Since the 1960s the per capita incomes of the resource-poor countries have grown significantly faster than those of the resource-abundant countries. In fact, in recent years economic growth has been inversely proportional to the share of natural resource rents in GDP, so that the small mineral-driven economies have performed least well and the oil-driven economies worst of all. Yet the mineral-driven resource-rich economies have high growth potential because the mineral exports boost their capacity to invest and to import. "Resource Abundance and Economic Development" explains the disappointing performance of resource-abundant countries by extending the growth accounting framework to include natural and social capital. The resulting synthesis identifies two contrasting development trajectories: the competitive industrialization of the resource-poor countries and the staple trap of many resource-abundant countries. The resource-poor countries are less prone to policy failure than the resource-abundant countries because social pressures force the political state to align its

interests with the majority poor and follow relatively prudent policies. Resource-abundant countries are more likely to engender political states in which vested interests vie to capture resource surpluses (rents) at the expense of policy coherence. A longer dependence on primary product exports also delays industrialization, heightens income inequality, and retards skill accumulation. Fears of 'Dutch disease' encourage efforts to force industrialization through trade policy to protect infant industry. The resulting slow-maturing manufacturing sector demands transfers from the primary sector that outstrip the natural resource rents and sap the competitiveness of the economy. The chapters in this collection draw upon historical analysis and models to show that a growth collapse is not the inevitable outcome of resource abundance and that policy counts. Malaysia, a rare example of successful resource-abundant development, is contrasted with Ghana, Bolivia, Saudi Arabia, Mexico, and Argentina, which all experienced a growth collapse. The book also explores policies for reviving collapsed economies with reference to Costa Rica, South Africa, Russia and Central Asia. It demonstrates the importance of initial conditions to successful economic reform.

9780974363806. The golden Mallet, is a biography of Hawaiian polo great Ronnie Tongg. This consummate sportsman's career took him all over the world encompassing many exciting adventures.

[Dreaming Souls: Sleep, Dreams, and the Evolution of the Conscious Mind, Owen J. Flanagan](#) , 2000, 0195126874,

9780195126877. What, if anything, do dreams tell us about ourselves? What is the relationship between types of sleep and types of dreams? Does dreaming serve any purpose? Or are dreams simply meaningless mental noise--"unmusical fingers wandering over the piano keys"? With expertise in philosophy, psychology, and neuroscience, Owen Flanagan is uniquely qualified to answer these questions. In this groundbreaking work, he provides both an accessible survey of the latest research on sleep and dreams and a compelling new theory about the nature and function of dreaming. Flanagan argues that while sleep has a clear biological function and adaptive value, dreams are merely side effects, "free riders," irrelevant from an evolutionary point of view. But dreams are hardly unimportant. Flanagan argues that dreams are self-expressive, the result of our need to find or to create meaning, even when we're sleeping. Written with remarkable insight, *Dreaming Souls* offers a fascinating new way of apprehending one of the oldest mysteries of mental life.

[Becoming Americans in Paris: Transatlantic Politics and Culture between the World Wars, Brooke L. Blower](#) , 2013, 0199927588, 9780199927586. Americans often look back on Paris between the world wars as a charming escape from the enduring inequalities and reactionary politics of the United States. In this bold and original study, Brooke Blower shows that nothing could be further from the truth. She reveals the breadth of American activities in the capital, the lessons visitors drew from their stay, and the passionate responses they elicited from others. For many sojourners-not just for the most famous expatriate artists and writers- Paris served as an important crossroads, a place where Americans reimagined their position in the world and grappled with what it meant to be American in the new century, even as they came up against conflicting interpretations of American power by others. Interwar Paris may have been a capital of the arts, notorious for its pleasures, but it was also smoldering with radical and reactionary plots, suffused with noise, filth, and chaos, teeming with immigrants and refugees, communist rioters, fascism admirers, overzealous police, and obnoxious tourists. Sketching Americans' place in this evocative landscape, Blower shows how arrivals were drawn into the capital's battles, both wittingly and unwittingly. Americans in Paris found themselves on the front lines of an emerging culture of political engagements-a transatlantic matrix of causes and connections, which encompassed debates about "Americanization" and "anti-American" protests during the Sacco-Vanzetti affair as well as a host of other international incidents. Blower carefully depicts how these controversies and a backdrop of polarized European politics honed Americans' political stances and sense of national distinctiveness. A model of urban, transnational history, *Becoming Americans in Paris* offers a nuanced portrait of how Americans helped to shape the cultural politics of interwar Paris, and, at the same time, how Paris helped to shape modern American political culture.

[Cover the Coo, Alexis Rhone](#) , 2010, 0970868839, 9780970868831. Trek is a freshman at the University of Texas at Austin the first in her family to attend college. Shes bombarded with advice on how to be successful in life everything from Trust God with all your heart to Marry a white boy! But her grandmother lovingly encourages her simply to Cover the coo. Unfortunately, Trek, whos dating two guys one in Houston and one in Austin doesnt listen. Now shes pregnant.

Who is the baby's father? Very Jerry-Springer-meets-Maury-Povich-ish. What should she do accept or abort? Cover the Coos is the fourth and final installment in the trek to womanhood for Trekel Baden.

[What Women \(and Men\) Want: Births, Policies and Choices](#), 2004, 0975682202, 9780975682203. Results of a study prompted by increasing public concern over Australia's falling national birthrate and on-going political debate regarding the role and provision of paid maternity leave and other initiatives designed to encourage or support those Australians planning families.

[Silly Spider!](#), David Wood, 1998, 0152018425, 9780152018429. Silly Spider is in the bathtub . . . under the soap . . . and behind the towel. Chase Silly Spider around the bathroom in this hilarious companion book to Honeybee's Busy Day, Ladybug on the Move, and Little Chick's Big Adventure. When Silly Spider finally slips his little body out the back cover, flip the book over and start all over again! David Wood and Richard Fowler's lively, simple text and fun flaps to lift will make young ones clamor for more silliness.

[Hi-stories Presents Michelangelo Bunnyrotti](#), 2006, 097632332X, 9780976323327. Michelangelo Bunnyrotti tells the story of an artistic hare who paints and sculpts fantastic creations. A fun re-telling of the life of the great artist Michelangelo Bounarroti.

[Techniques for Health and Wholeness](#), Betty Bethards, 1979, 0918915171, 9780918915177. Complete, illustrated list of tools needed to create and maintain healing of mind, body and spirit. Readers can access the inner self to accept responsibility for personal health and well being with information on reincarnation, karma, chakras, affirmations

[Civil Service Yearbook: August 1992 Edition](#), 1992, 0114300704, 9780114300708.

[Core Questions in Philosophy: A Text With Readings](#), Elliott Sober, 2004, 0131898698, 9780131898691. Presented in an engaging lecture-style format, this combined textbook-anthology presents a series of discussions on the basic issues and ideas in philosophy, with lectures supported by related readings from historically important sources. While the author's lecture approach lends this book a natural flow and sense of immediacy, it comprises a fully integrated book with all of the traditional organizational and pedagogical features to aid users' learning, including chapter summaries, marginal notes, boxed inserts, discussion questions, problems, test questions, a glossary, and bibliography. The discussions

emphasize the logic of philosophical arguments; and, in particular, how they relate to the content of modern physical and social sciences.

[Chris Johnson's On Target Living Cooking: Eat Healthy, Feel Satisfied, One Delicious Meal at a Time, Chris Johnson](#) , 2007, 0972728139, 9780972728133. Eat healthy, feel satisfied, one delicious meal at a time. It is much more important to consider the quality of food rather than the quantity. Other diet and nutrition plans put too much emphasis on cutting calories. You should never have to sacrifice taste and feeling satisfied to become healthy. On Target Living Cooking walks you through the value of cooking with foods that are unrefined and rich in nutrients. Whether it be a quick snack or hearty meal, you will find that eating healthy actually tastes great. With over 250 flavorful recipes to choose from, changing the way you eat will become energizing and fun.

[Numerology: With Tantra, Ayurveda, and Astrology, Harish Johari](#) , 1990, 0892812583, 9780892812585. For the first time, a Tantric scholar and expert in the Hindu traditions of Ayurveda and astrology presents a system of numerology that combines numerical calculations, astrological data, and an analysis of body type. He illustrates the Vedic Square and the visual patterns that can be derived from it, casting a revealing light on the more esoteric interpretations of numbers and their relationship to one another. Recommendations are given regarding strong and weak periods of day or year, favorable colors and precious stones to be worn, and meditations and mantras to be practiced for health and prosperity. Explains how to determine the psychic number, name number, and destiny number; how these numbers relate to each of the nine planets, and how they apply to every aspect of life--including personality, temperament, intelligence, talents, sexuality, spirituality, finances, travel, and health.

[Zekmet, the Stone Carver: A Tale of Ancient Egypt, Mary Stolz](#) , 1997, .

[Web-Based Management: For the Enterprise, Sean J. Harnedy](#) , 1999, 0130960187, 9780130960184. Web-Based Management for the Enterprise is the first comprehensive, objective guide to managing enterprise networks by marrying Web and conventional standards-based technologies. Expert Sean Harnedy demonstrates the compelling advantages of Web-based management, offers a realistic view of the current limitations - and above all, shows exactly how and where to get started. Harnedy helps you integrate today's key standards and technologies into a unified Web-based network and systems management model that actually works for the enterprise. You'll understand the roles of HTTP, HTML, SNMP, CMIP, DMI, TMN, WBEM, Java, and UML. You'll also preview the future of Web-based management - so you can

evolve smoothly as the technologies mature. Whether you're a developer or IT decision-maker, Web-Based Management for the Enterprise will help you free your network from yesterday's proprietary constraints - and manage it better than ever before.

[The Elements of Cinema: Toward a Theory of Cinesthetic Impact, Stefan Sharff](#) , 1982, 0231054777, 9780231054775.

Beginning with the proposition that there exist uniquely cinematic elements of meaning and structure, Stefan Sharff clearly and systematically lays the foundation for "literacy" in cinema -- a sensitivity to the aesthetic elements intrinsic only to film. Sharff presents the basic elements of structure, modes of expression, and rules which he argues create a specific "language" and "syntax" of cinema.

[Through the Bible with My Child, Charles Sharman](#) , 2009, 097427271X, 9780974272719. Through the Bible with My Child helps parents teach their children God's word. This book provides a method and a plan: a method to teach the Bible to young children, and a plan to cover the Bible in four school years. Supplemented with memorization recommendations, daily review questions, writing pages, blank maps, and tests, Through the Bible with My Child offers a complete introduction to the Bible for elementary age children.

[High - Tech - Space: Australian Finished Goods Warehousing,](#) , 1983, 0949352004, 9780949352002.

[Top Notch 3 with Super CD-ROM,](#) , [Joan M. Saslow, Allen Ascher](#) , 2006, 0132386240, 9780132386241. Top Notch , a dynamic 6-level course for international communication, sets a new standard, using the natural language that people really speak. With a rock-solid learner-centered approach, Top Notch provides students an opportunity to confirm their own progress at the end of every easy-to-teach two-page lesson. Features of Top Notch 3 Essential model conversations that make key social language unforgettable and easy to personalize Intensive vocabulary development with active recycling Complete grammar support--extended by a bound-in Grammar Booster "Top Notch Interactions"--unique step-by-step discussion builders that guarantee success for all learners Thorough attention to pronunciation A wide array of learning strategies and activities that promote critical thinking Authentic and refreshing content that connects students to the real world

[Jon Bon Jovi: The Biography, Laura Jackson](#) , 2010, 074812277X, 9780748122776. This fascinating biography provides a detailed portrait of the high-energy, charismatic international superstar and frontman of the ever-popular band, Bon Jovi. The book charts Jon's relationship with the other band members who have their fair share of rock and roll stories - sex, booze, burnouts, health and women problems. Although rock music is Jon Bon Jovi's first love, he has more recently developed an interest in acting - starring in various hit TV shows such as Ally McBeal and Sex and the City and attracting critical acclaim for his role in World War II hit film, U-571. He has also scored film music, with his score for Young Guns earning him an Oscar nomination. Bestselling writer Laura Jackson explores the personality, character, drive and the determination that have taken him from playing New Jersey clubs through all the groupie excess and glamorous

indulgence to where the band is today. Two new chapters in this updated edition detail his recent work for charity, his involvement in politics and football and also give an update on the band's new albums and tours.

For everyone who loves Jane Austen...a marvelously entertaining new series that turns the incomparable author into an extraordinary sleuth!On a visit to the estate of her friend, the young and beautiful Isobel Payne, Countess of Scargrave, Jane bears witness to a tragedy. Isobel's husband a gentleman of mature years is felled by a mysterious and agonizing ailment. The Earl's death seems a cruel blow of fate for the newly married Isobel. Yet the bereaved widow soon finds that it's only the beginning of her misfortune...as she receives a sinister missive accusing her and the Earl's nephew of adultery and murder. Desperately afraid that the letter will expose her to the worst sort of scandal, Isobel begs Jane for help. And Jane finds herself embroiled in a perilous investigation that will soon have her following a trail of clues that leads all the way to Newgate Prison and the House of Lords a trail that may well place Jane's own person in the gravest jeopardy.From the Trade Paperback edition.

[Rocco's Italian-American, Rocco DiSpirito, Nicolina DiSpirito, Nina Lalli](#) , 2004, 0786868570, 9780786868575. The star of NBC's reality show *The Restaurant* dishes up the mouthwatering Italian classics that made his TV show and eateries so hot. A delicious collection of timeless family recipes -- including Mamma's Meatballs -- from culinary superstar Rocco DiSpirito! Superstar chef Rocco DiSpirito made a name for himself by taking flavor where it had never gone before. But this decorated chef who blazed through the Culinary Institute of America and burst onto New York's fine dining scene -- landing himself on the cover of *Gourmet* -- actually honed his taste buds on the timeless Italian recipes handed down through his family for generations. *Rocco's Italian-American* lifts the lid on these age-old meals and shares their secrets, as well as the histories and family traditions that go along with them. More than just a cookbook, *Rocco's Italian-American* is a celebration of the family recipes and experiences of one immigrant family in New York and is sure to become a classic. It is also filled with the wisdom of Rocco's Mamma, who is beloved by the millions who know her from her television appearances. Each delicious recipe includes a personal note on the dish, a story associated with it, or a variation preferred by certain relatives. The book is organized by parts of the meal (antipasto, soup, pasta, fish, meat, salad, bread, sweets, and holiday menus). Rocco describes the techniques of the Italian-American kitchen and instructs on the indispensable ingredients, such as tomatoes, olive oil, basil, and beans. The book is lavishly illustrated with (old and new) photos and other artifacts and mementos from his family's treasure chest, including maps, handwritten recipes, and childhood drawings. Now for the first time, Rocco shares his favorite family recipes, including:--Mamma's Meatballs--Mamma's Frittata--Sardines with Fennel and Orange--Farfalle with Grilled Sausage, Fennel, and Baby Artichoke--Rabbit Cacciatore--Red Snapper and Heirloom Tomatoes Poached in Olive Oil--Asparagus with Besciamella--Poached Cherries with Ricotta Gelato and Toasted Pandoro

[The Classic Slum: Salford Life in the First Quarter of the Century, Robert Roberts](#) , 1990, 014013624X, 9780140136241. A study which combines personal reminiscences with careful historical research, the myth of the 'good old days' is summarily dispensed with; Robert Roberts describes the period of his childhood, when the main affect of poverty in Edwardian Salford was degradation, and, despite great resources of human courage, few could escape such a prison.

[Sobre Lo Fantastico Mexicano, Cecilia Eudave](#) , 2009, 0978584139, 9780978584139. Exploring the tradition of magical realism in Mexican literature, this guide traces the origins of the genre attributing many classic stories to old legends and explains how to write in a style widely understood thanks to its many insights on social, cultural, gender, and identity conflicts. Explorando la tradicin de lo fantstico en la literatura mexicana, esta gua explora los orgenes del gnero atribuyendo muchos cuentos clsicos a leyendas antiguas y explica como escribir en un estilo tan accesible gracias a sus perspicacias en los conflictos sociales, culturales, de gnero y de identidad.

[Mel Mudd, The Comic Book Detective, Allen Curtis, Now Media, Various](#) , 2007, 0974520551, 9780974520551. Mel Mudd, The Comic Book Detective DVD follows the live action adventure of a private eye (played by Jim Vincent of Meet the Parents), who searches for the complete truth! The complete truth about how comic books are produced, including every step of production from concept, plotting, writing, layouts, pencils, inks, coloring, separations and printing. Updated and completely reedited with new digital production content, scenes and animation, the Mel Mudd, The Comic Book Detective DVD also includes a guest appearance by Ralph Smart, Speed Racer, and The Real Ghostbusters, and a new Mel Mudd comic book. The Mel Mudd, The Comic Book Detective DVD is a 40 minute, re-edited, re-mastered version of the What NOW Caper, a docu-drama produced in 1989 by City Video Productions and NOW Comics. It's a timeless, entertaining look at the full production of a comic book, but now updated and re-edited for higher production quality.
