

Spring Plant Exchange
Saturday, May 30, 10am-noon
West side of Ravenswood at Montrose
(rain or shine - we are gardeners, after-all)

Bring a Plant – Take a Plant – and leave happy!
Exchange as many plants as you like.

**Please note the name of the plant and
whether it does best in sun or shade;
trade extra seedlings, too.**

Clean out your garage!
**Bring tools or garden accessories, or whatever else
you think someone would benefit from.**

**Come out to see the creation of our new
community gardens.**

Too many native plants in your garden?
Bring a piece of your garden to this new space.
MMCG will gladly plant them in the gardens.
