FARMERS MARKET SAMPLING TRAINING

ATTN: MARKET MANAGERS AND VENDORS

A new state law allows vendors and markets to offer product samples with just ONE (1) certificate, regardless of how many counties you operate within. Don't wait until July, start the season with "Sampling" and grow your sales 30%! Attend this IFMA Conference Session and receive the training required for your sampling certificate.

- Certificate valid for 3 years/36 months
- Good statewide for vendors and markets operating in multiple counties
- Fee ranges \$10-\$40 depending on certifications
- Farmers Market Sampling Training is ***REQUIRED** to obtain the sampling certificate (**unless a Food Service Sanitation Manager Certificate is held*)
