***AERONAUT Allston returns to Zone 3 on Western Ave for  
3<sup>rd</sup> season of Boston's most magical, musical beer garden!***

On Friday, June 1, we're kicking off another season of AERONAUT Allston, a summertime musical beer garden series hosted by Aeronaut Brewing Company every Wednesday and Friday night all summer long at Zone 3's hub of activity, 267 Western Ave in Allston. **The series features live music and performances by emerging local artists, the best local food trucks, and great beer!** This year AERONAUT will help Zone 3 open its awesome new outdoor community program and performance space. It's an upgrade from the blacktop parking lot of the past two years - but it still feels like home!

**AERONAUT Allston takes place every WEDNESDAY (5-9:30pm) and FRIDAY (5-11pm) night, June 1 to September 28 at Zone 3 (267 Western Ave, Allston).**

Launched in 2016, AERONAUT Allston is a free, family-friendly series that is open and welcoming to all. In partnership with Zone 3, we strive to foster meaningful community connections, create a fun neighborhood-gathering place, and provide a supportive platform for emerging artists and musicians from Allston and beyond. **Based on the success of the past two seasons, Zone 3 recently renovated an empty lot at its hub of activity at 267 Western Ave into a new dedicated space for outdoor programs.** Featuring a sloping grass amphitheater space, circular performance platform, and hangout spots in both the sun and shade, we can't wait to host you and show it off.

We've welcomed thousands of thirsty culture fans over the past two summers and this year will be better than ever! Once a month, we'll release an exclusive summer beer available only at the AERONAUT Allston. Featured acts include high-profile groups making their beer garden debut (including **Arc Iris, What Cheer? Brigade, Copilot, Honeysuckle**) and returning all-star favorites (including **Lula Wiles, The Novel Ideas, Oompa, Ali McGuirk, Emperor Norton's Stationary Marching Band**), plus collaborations with local cultural organizations including **Allston Pudding** and **Boston Hassle**. The series will continue to highlight community partnerships with local groups leading fun programs like femme-focused slam poetry, queer yoga, bike repair, trivia, and dog-themed nights.

**Zone 3** is a Harvard-sparked initiative to further activate and energize Western Ave with creative programs, events, and retail. More info: [Zone3WesternAve.com](http://Zone3WesternAve.com)

Bring your friends, neighbors, kids, and your dog, and *we'll see you under the string lights!*

Cheers — the AERONAUT ALLSTON team
