## **Updated Events**

### **Boston Board of Appeals**

Inspectional Services Department

Tuesday, August 23, 2016

Hearings – 9:30 am

**BOA579656 & BOA579659 – 12-12C Glenmont Road, Ward 22, Brookline Development Corp, LLC (The proponent has asked for a deferral (1<sup>st</sup> request) to complete the community review process which will include one more meeting with the Brighton Allston Improvement Association and continued collaboration with the Office of Neighborhood Services. Changes have been made to the project, additional changes may be required based on additional abutter feedback as well as working with the Boston Fire Department to resolve a serious building code violation. Motion to grant the deferral was accepted. Rescheduled for November 1, 2016 at 11:00 am.)**

**BOA610102 – 1027-1033 Commonwealth Ave, Ward 21, The Balance Patch, Inc (Proposal is for a E-Sports Center with an accessory café which involves the renovation of a vacant recording studio. E-gamers will compete, play and observe E-games locally and from around the world. The Board asked about capacity, size, hours of operation, security, noise and changes to the building which will include a new exterior in the front. No alcohol will be served. Abutters' meeting was very positive. Allston Civic Association, Office of Neighborhood Services, Councilor Ciommo and Carpenters' Union all in favor. Motion to approve with BRA Design Review for the exterior renovation of the front was accepted.)**

Room 801, 8<sup>th</sup> floor  
Boston City Hall
