

CLEAN OUT YOUR MEDICINE CABINETS

Saturday, April 26 is National Take-Back Day.

National Take-Back Days are a reminder to dispose of unwanted or expired medication. The Allston-Brighton Substance Abuse Task Force (ABSATF) encourages the public to do that, but we also want you to know that there is a **permanent MedReturn Drug Collection Kiosk** at the Boston Police Department, D-14, 301 Washington Street in Brighton.

Residents may safely dispose of expired or unwanted medication in the kiosk year-round. Disposal is free, anonymous and available 24/7. Properly disposing of medication helps keep it out of the hands of our youth and ensures that its disposal is not harmful to the environment.

For more information, including a map of kiosks throughout Boston, please [go here](#).

What is collected?

- Prescription medications
- Over-the-Counter medications
- Pet medications
- Sample medications
- Pills, capsules, inhalers, ointment & patches
- Vitamins
- Liquids in glass or leak-proof containers

www.abdrugfree.org

This permanent disposal system is a collaboration between the Boston Public Health Commission, Boston Police Department, and the Massachusetts Department of Environmental Protection. The MedReturn Drug Collection Kiosks were purchased by the Massachusetts Department of Public Health, Bureau of Substance Abuse Services.
