

Starting from Scratch

An SPA day of astronomy for beginners

Starting from Scratch

Saturday 7 November, 9.30 am to 5 pm
Juniper Hall, near Dorking, Surrey

An overview of astronomy in a single day!

All are welcome, whether SPA members or not

Great for beginners or those who simply want to brush up their knowledge

Presenters will include:

Dr Jen Gupta, University of Southampton
Martin Lewis, Sky at Night magazine telescope reviewer
Robin Scagell, SPA Vice President

We'll be covering

First steps in observing with naked eye and binoculars
Using telescopes and taking images
Looking at the Sun
Observing the deep sky
Observing the Moon
Viewing the planets with amateur telescopes
How the Moon and planets formed
Stars and the Universe

Admission: £10.00 per person, payable in advance (non-returnable), to include lunch.
Admission is open to both SPA members and non-members.

There are two ways to book Either purchase your tickets online using a credit or debit card by visiting www.popastro.com/courses, or send a cheque, payable to Society for Popular Astronomy, with a stamped self-addressed envelope, to SPA, 36 Fairway, Keyworth, Nottingham NG12 5DU.
