**Regulae iuris. Their roots in experience and legal logic, their practical consequences.**

*2<sup>nd</sup> Circular*

Dear Colleagues and Friends,

Time goes by and the 68<sup>th</sup> Session of the SIHDA is approaching. It is thus time to give you some additional information and to remind you some important upcoming deadlines.

As you know, the registration must be made on our website (<http://www.sihdanapoli2014.unina.it>). We kindly ask you to fill in the registration form even if you are not yet in possession of all the information concerning your presence. You will be able to add the missing information also later: as the name of your hotel, the title and the summary of your conference. Let me also remind you that it has become urgent to book your hotel room if you haven't done it already. The nearest hotels are Hotel Naples, NH Ambassador, Mercure Angioino, Hotel Oriente, Hotel Palazzo Turchini; for help you may contact the agency 'Studio Congress' (contact is in our web site).

The Opening Ceremony of the SIHDA 2014 will be held in the Historical Aula Magna at the University «Federico II», Dipartimento di Giurisprudenza (entrance of Corso Umberto I, 40, or through the side of Via Mezzocannone 2) on 16<sup>th</sup> September 2014 at 16.00h. The registration will begin at 10.00h. On September 17, is scheduled a concert in the Church of San Giovanni Maggiore, on September 18 there will be a visit to the Catacombs of San Gennaro. The General Assembly and the Gala Dinner will take place on Friday 19<sup>th</sup> September 2014.

For those wishing to give a paper, they have to send the title and the summary **before the 30<sup>th</sup> June.**

*Comitato organizzativo*  
Cosimo Cascione, Carla Masi Doria, Francesca Reduzzi Merola, Annamaria Salomone,  
Giovanna D. Merola, Natale Rampazzo, Paola Santini, Fabiana Tuccillo

As you know, French is the official language of the Société Internationale Fernand De Visscher, but the papers can be given also in German, English, Spanish, and Italian. Consequently, the speakers are kindly requested to announce the language in which they will speak. This information should be inserted when registering on Internet.

The summaries of the papers (in French, German, English, Spanish, Italian) shall not be longer than 2500 characters.

As usual, the conferences shall not last longer than 20 minutes to allow the discussion.

Concerning the optional excursions on Saturday 20<sup>th</sup> September 2014, the organization has selected 4 options for the participants. These excursions will only take place if a reasonable number of participants register for it. For this reason we ask you to choose 2 options.

Option A: Pompeii excavations; Coral Museum 'Liverino'.

Option B: Campi Flegrei, Piscina mirabilis, Solfatara.

Option C: Costa Divina, Amalfi and Ravello.

Option D: Naples, its monuments, Posillipo Hill and the villa of Vedio Pollione.

The choices of the excursions can be made on the website. I remind you that the participation fee for this optional excursion is 50 € (payable together with the registration fee).

If you know Colleagues and other people interested in the Congress not yet reached by our circulars, please let us know: we'll be jolly glad to spread the invitation to new friends.

A third circular invitation letter will be sent as soon as I have all the titles and the summaries of the papers, hopefully in August. I should then be able to send you the scientific programme of our congress.

In anticipation of welcoming you here in Naples, please, dear Colleagues, accept our warmest greetings.

Naples, the 16<sup>th</sup> May 2014

Carla Masi Doria
