Conference Paper Reference: 745

Title: Spatial assessment of groundwater quality for drinking using water quality index, multivariate statistics and hydro-geochemical indices in Al-Hawban sub-basin, Taiz, Yemen

Author(s): Ramzy Naser, Mohammed Elbakkali

Dear Ramzy Naser,

We are delighted to inform you that our Scientific Committee has accepted your above referenced abstract to be **extended** for eventual publication in the proceedings of the 3rd Conference of the Arabian Journal of Geosciences (CAJG 2020) which will be held in Sousse, Tunisia from 2 to 5 November 2020.

Please know that your **extended abstract** won't be considered for publication in the **conference proceedings** by Springer unless you submit an extended version (3 to 5 pages) and at least one of the authors cited above **registers online** and **pays the registration fees** by **September 20th**.

On behalf of the Scientific Committee, we would like to thank you for your submission and for your interest in the CAJG 2020. The high level of interest in the conference confirms its global relevance and international impact. More than **950 abstracts** have been received from **80 different countries** worldwide. The conference will gather influential scholars from all over the world and top scientists have already confirmed their participation.

Please consult our website (www.cajg.org) on a regular basis for more details.

With best regards,

Prof. Dr. Abdullah M. Al-Amri
General Chairman CAJG 2020
King Saud University, Riyadh, Saudi Arabia
