*"In Velz the minhag was that women would count the Omer only until Lag B'Omer. The Velzer Rebbe explained that initially the minhag was for women to stop counting after Mother's Day, just like men do not count after Father's Day. But this caused confusion because Mother's Day, depending on the year, could be early or late. So when Lag B'Omer fell on Mother's Day, it was agreed that after Lag B'Omer, women do not count." -Rabbi Mel Teitelbaum
