Mazel Tov to Aaron & Kayla Schelleberg on the upcoming birth of their grandson in New York

"In Velz, there was a minhag to count Omer from Erev Succos to Erev Shavuus. Succos, the Velzer Rebbe pointed out, is a Fall celebration of the Passover Exodus. Furthermore, the Velzer Rebbe noted that there is a remez in the Torah from Avraham Avinu. In the war of the four kings against the 5, the Torah tells us "Ba Kdr'l'Omer" (Briashis 14:5). The gematria of the letters Bais, Alef, Koph, Daled, Raish (ba kdr) is 227 and there are 227 days from Erev Succos to Erev Shavuus.

Whether when Avraham Avinu counted, he said l'Omer or b'Omer, was the focus of a drasha the Rebbe gave the first night of Shavuus, which lasted exactly 227 minutes. In fact, the Rebbe would make sure that the duration of learning on Shavuus night would always be exactly 227 minutes."-
