

# MySQL User Camp, Bangalore

Welcome to the quarterly event “MySQL User Camp, Bangalore” on **19th June, 2013** where you get to

- Listen to a MySQL Developer talking about “*Overview of InnoDB Storage Engine*”.
- Listen to a MySQL Developer talking about “*Overview of MySQL Performance Schema*”.
- Have open ended session to discuss and interact with MySQL Developers and Users.

So explore this opportunity to get more knowledge about MySQL and increase your network with other MySQLers.
