# ROCK THE SUN

a technological, social & cultural project in India

After their successful European performances, 'Rock the Sun' will come to India to build a mobile solar powered sound unit, the unique SolarSoundSystem. After the on-site construction, several presentations, concerts and DJ sets are going to take place in Bangalore as well as Pune.

## Programme / public events

- 10 March 2012\_ Lecture and music event to inaugurate the SolarSoundSystem at Jaaga, Bangalore
- 11 March 2012\_ Lecture and DJ-set under the sun at Jaaga, Bangalore
- 18 March 2012\_ Performance at the Alliance Francaise, Pune
- 21 March 2012\_ Performance at the Soirée Franco-Suisse of the Alliance Francaise, Bangalore
