

## COMMUNITY CONVERSATIONS

**You're Invited!**

**To join a “*Community Conversation*”  
on Building Resilient Communities**

The COVID-19 pandemic tested our communities and our public health system. We'd like to know how your community experienced COVID-19. What were the challenges? What were the successes? What did we learn?

Join us for a community conversation via Zoom to reflect on the strategies and resources we need to move forward. How would a NM Public Health Job Corps help to build more resilient communities?
