

Assalamu 'Alaykum, peace be with you!

In accordance with the International Pregnancy and Infant Loss Awareness Day on **Saturday 15th October**, Children of Jannah have organised a fun walk (starting at **2pm** and finishing at **4.15pm**) to raise funds for a toy-drive for sick children at children's hospices and we are looking for you to join us!

Children of Jannah is an organisation that has grown quickly since its formation earlier this year, already boasting several thousand Facebook fans and newsletter subscribers alhamdulillah (all praise is due to God).¹ Children of Jannah strives to provide a unique Muslim framework that can support Muslim parents, families and friends to deal with issues surrounding grief and child loss.

Children of Jannah are looking to continue working with hospitals by organising a walk to raise money for new toys for sick children. Following the success of Children of Jannah's recent toy drive for Royal Manchester's Children's Hospital,² a fun walk has been arranged in Manchester, beginning at Francis House, Parrswood, and finishing at Royal Manchester Children's Hospital. This is an ideal opportunity for people of all faiths to work together in partnership, to help put a smile on the faces of sick children within our local community.

So bring yourself, family and friends to the walk, join Children of Jannah, and help us work towards uniting our community.

In this email you will find more details of the walk, what you should bring with you, a sponsorship form and a registration form which you will need to return back to us at support@childrenofjannah.com. Places are LIMITED so ensure you return your registration form early to confirm your place.

Participants must raise a minimum of £40 in sponsorship and pay a £10 registration fee prior to the start of the walk.

We look forward to hearing from you and seeing you at Francis House at 2pm for the start of the walk on Saturday 15th October Insha Allah (God willing)!

Jazak Allah Khayr, thank you.

Hafizah Ismail
