

South Valley Field Crops Extension Coffee Hours

Wednesday mornings 8:00 a.m. – 9:00
a.m., Starting February 16th 2022

Registration link: <http://beav.es/wfy>

Bring your coffee and tune in to Zoom for a
new topic every week

DATE	TOPIC	GUEST PRESENTER
2/16	Insect pest management	OSU Extension entomologist Navneet Kaur will talk about her efforts to find alternatives to chlorpyrifos.
2/23	Water quality	OSU Extension soil water quality specialist Abigail Tomasek will discuss her research program, and Sarah Sauter will talk about the South Willamette Valley Ground Water Management Area.
3/2	Biological soil amendments	OSU Extension agronomist Betsy Verhoeven will cover what we know and don't know about biological soil amendments.
3/9	Soil carbon	USDA ARS soil scientist Jen Moore will discuss her research program and studies about soil carbon in grass seed fields.
3/16	Nematodes and plant diseases	USDA ARS plant pathologist Hannah Rivedal will discuss <i>Anguina</i> nematodes in grass seed and her research program.

Registration is required but you can quickly sign up for this series with one quick registration form. Meetings will be held using the Zoom platform and there is no charge to attend. Contact Laurie Gibson at 541-248-1088 for registration help.

Oregon State University Extension Service prohibits discrimination in all its programs, services, activities, and materials on the basis of race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, familial/parental status, income derived from a public assistance program, political beliefs, genetic information, veteran's status, reprisal or retaliation for prior civil rights activity. (Not all prohibited bases apply to all programs.) To request an accommodation for a disability please contact Christy Tanner (Christy.tanner@oregonstate.edu 541-570-5642) one week before the event.
