Is the organisation a non-profit?	<i>yes</i>

Background and Experience

Please briefly present the organisation.

International Youth Association EUTOPIA is a **non-profit youth organization**, established to promote European values, emphasize respect and disseminate skills and knowledge for a better society. EUTOPIA is supporting the EU policy of youth work, initiates projects of positive change and encourages the development of EU projects.

Our NGO is dedicated to:

- Create conditions for initiation and development of positive change on regional, national and international level
- Create positive, motivating and optimistic entrepreneurial spirit in the society
- To enhance and support the youth mobility on national and international level
- Raising awareness among young people about personal and professional opportunities ahead
- Promotion and application of the non-formal education
- Organizing youth projects with topics such as entrepreneurship, sport, employability, leadership, management, marketing and sustainable development
- Advising and supporting young people in Croatia in launching socially responsible entrepreneurial ventures

EUTOPIA bases its development and growth on holding workshops for young people and constantly incorporates new members. The current topics of EUTOPIA's planned projects are: Corporate Social Responsibility, Social Entrepreneurship, Innovation Management, Leadership, Environment and Public Speaking.

EUTOPIA collaborates with many influential local institutions and organizations, such as many startup companies, local media companies (TV and Online Portals), local centers for social entrepreneurship and NGOs. For that reason, it is possible for our members to carry out quality dissemination activity after participation in each project.

Please give information on the key staff / persons involved in this application and on the competences and previous experience that they will bring to the project. Include ONLY relevant information. *

1. why do you need to join this project?

Networking, to get new skills for our volunteers, we want to develop this method of working, to see the way of thinking of their colleagues from other countries, to reflect, to establish contacts with organizations from other countries and to improve the development of youth activities in the area of international cooperation.

2. what is your target group ? (physically disabled, blind/deaf people, mentally disabled people, etc)

Youth from 18 - 30 / volunteers, working with unemployed / low socio-economical background /, volunteering with physically disabled, blind/deaf people

3. how many disabled people can you involve in the activities and trainings ? (you can separate based on type of disability if you have specific activities / trainings)

1 blind/deaf people

4. What kind of activities and tasks can you do in the project? E.g. Training courses, art lessons, sports activities, therapy sessions etc.

Workshops: Inclusion in society / Forum theatre, role play

Workshop: Digital education, EU Citizenship, STEM, Social Entrepreneurship

workshops: Erasmus - workshop

5. Which local partners can involve in the project in your countries ? (such as municipalities, universities , institutions etc)

How will these partners contribute to the implementing & supporting project activities & sustainability of the project?

Local schools / universities

6. How will you choose the participants (in various activities) and how will you involve them ?

We publish call in our FB group and interested participants should send CV / application

Few weeks before the activity starts we will send to the participants Learning outcomes questionnaire so they can outline what they expect from the project and other learning expectations. This input will be framed into the learning agreements with the participants will be shared in a form of activity goals where they will be presented at the beginning of the workshop, where each participant will be aware of what to expect. Short presentation about Erasmus +, Youthpass, preparation for the projects / tickets, Croatian intercultural night, homework / presentation about topic..
