Share your Classroom Stories to win a Promethean ActivPanel

Celebrating all that's positive about teaching and learning, the Promethean Classroom Stories competition gives UKI schools the opportunity to share their most inspiring stories. Best of all, you'll get the chance to win the latest Promethean ActivPanel!

We have 20 ActivPanels to award to the schools, teachers, ICT managers and educators who demonstrate the most passion, innovation, and imagination.

Create your Classroom Stories video and complete your submission anytime between now and the deadline of 25th June 2021.
