

Charger Pep Band Schedule 2021-2022

Blue Band and Silver Band

Basketball Season is Here! Our pep bands have been tons of fun every year. This year will likely be even more exciting after a year off and with new music in the folders!

We will stay to the end of the varsity game unless it is a weeknight or we have an event the next morning. If it is a weeknight or we have an event the next day, we will leave after halftime of the varsity game. Times indicated are call times.

Rosters will include students who were members of the Centennial marching band in the fall of 2021. If you are a student who is currently only registered for Concert Band or Symphonic Band we would **love** for you to be a member of the basketball band. If you are interested in playing at games please let Mr. Allen or Mr. Chesner know and we will add you to a band. Thank you!

Attendance Policy: Students are assigned to the games listed based on their band.

- Any student who can not attend an assigned game will need to make it up by attending two non-assigned games. The student will also need to find a sub for their part/instrument for the game they will miss. The bands are balanced based on ability and size. The purpose of this policy is to ensure that we always have a large, powerful pep band at every game.
- Any student who needs more time to get out of work than this date of release allows, will be excused.
- If the student is unable to make up the dates due to the lack of available games, they will be excused.
- We will ask that students find a sub for any date they will miss. If they are unable to find a sub, they need to let us know so we can try to help.

Students should wear centennial colors. When students arrive, they should go to the band room for attendance and a brief rehearsal of the School Song, National Anthem, and any other songs that may need attention before public consumption.

Pep Band has not been required of Color Guard students in the past. This is the first year we have had an opportunity for Color Guard to participate in the winter season. There will be no grade requirement, but you may have some new opportunities to pursue.
