- 7:00 Return equipment to buses.
- 7:45 Return to Centennial

=====

_____ has my permission to travel by bus to the Marketplace Mall in Champaign on Thursday, Dec 9th after school.

I understand that my student will be expected to help return the equipment back to the bus. I also understand that my student can ride home only with a parent or guardian and the student must check out with a director. A bus will give students a ride back to the school.
