

Chebyshev Lab

## Schedule

27.01 – 02.02

Wednesday, 29.01.2020

10:00 301  
Winter Student School on Mathematics and Computer Science

Thursday, 30.01.2020

10:00 301  
Winter Student School on Mathematics and Computer Science

17:15 105  
Colloquium of the Department of Mathematics and Computer Science  
*Dmitrii Zhelezov (Alfred Renyi Institute of Mathematics, Budapest), "An analytic approach to cardinalities of sumsets"*

Friday, 31.01.2020

10:00 301  
Winter Student School on Mathematics and Computer Science

17:00 120 (413)  
Seminar on motives,  $A^1$ -topology and K-theory  
*Алексей Ананьевский, "Мотивная эйлерова характеристика многообразий торов"*

Saturday, 1.02.2020

09:30  
Winter Student School on Mathematics and Computer Science
