Chebyshev Lab

Schedule
19.07-25.07

Monday, 19.07.2021

11:00 The Leonhard Euler International Mathematical Institute in St. Petersburg St. Petersburg, Pesochnaya nab. 10/ ZOOM MEETING ID: 985 3955 5582
Marcin Moszyński (Uniwersytet Warszawski, Poland), **EIMI Minicourse «Spectral theory for self-adjoint cyclic operators & its analog for «finitely cyclic» ones with rigorous introduction to matrix measure L² spaces 4/6″**
Learn more

13:50 Online/offline
The International Symposium on Symbolic and Algebraic Computation (ISSAC)
Learn more

Tuesday, 20.07.2021

13:30 120 (413)
(13:30 - 18:00), **Общее собрание проекта МУН**

13:50 Online/offline
The International Symposium on Symbolic and Algebraic Computation (ISSAC)
Learn more

Wednesday, 21.07.2021

13:50 Online/offline
The International Symposium on Symbolic and Algebraic Computation (ISSAC)
Learn more

Thursday, 22.07.2021

11:00 The Leonhard Euler International Mathematical Institute in St. Petersburg St. Petersburg, Pesochnaya nab. 10/ ZOOM MEETING ID: 985 3955 5582
Marcin Moszyński (Uniwersytet Warszawski, Poland), **EIMI Minicourse «Spectral theory for self-adjoint cyclic operators & its analog for «finitely cyclic» ones with rigorous introduction to matrix measure L² spaces 4/6″**
Learn more

13:50 Online/offline
The International Symposium on Symbolic and Algebraic Computation (ISSAC)
Learn more

Friday, 23.07.2021

13:50 Online/offline
The International Symposium on Symbolic and Algebraic Computation (ISSAC)
Learn more

17:00 Zoom
EIMI Seminar in Mathematical Physics
Marcin Moszyński (Uniwersytet Warszawski), **«Subordination theory for Jacobi matrices. – Is there any analog for block Jacobi operators?»**
Learn more
