

**COMMUNITY RIGHTS YAMHILL COUNTY**  
presents  
**CELDF's "Community Rights" Workshop**

**January 14, 2017**

**2:00 – 5:00 pm**

**First Baptist Fellowship Hall**  
**125 SE Cows Street, McMinnville**  
(FREE; though donations accepted)

This **FREE** 3-hour workshop, led by Kai Huschke of the Community Environmental Legal Defense Fund will provide us with an overview of the structure that will help us build and protect a viable community. We must protect the rights of nature in our county and the human dignity of all of our citizens. Corporations have been in control far too long.
