

# Who will be there for *me*?

Volunteer to ensure abused and neglected Tribal children have their rights protected, and their voice heard.

The Confederated Tribes of Grand Ronde are recruiting Court Appointed Special Advocates, CASAs, to speak up for the best interests of neglected or abused Tribal Children.

As a CASA, you will review records, speak with pertinent persons to the case, and make recommendations to the Court stating what you, as a CASA, believe is best for the child.

Every native child deserves to have a safe home, an education, and to know and be connected to their culture.

## Requirements:

- 21 years of age
- Successful completion of 40 hours of training
- Completion of a background & reference check
- *Preferred*- Knowledge or experience in child advocacy and tribal customs
