Who We Are

Nestled at the Intersection of several important Detroit neighborhoods, including Corktown, Woodbridge, Core City and Midtown, we are open as a faith and community center to help promote the uplifting of the people.

Scheduled to open in the spring of 2016, this half a million dollar renovated center is anchored by a Matrix Head Start early childhood center.

We are already the community center for our area, and want to save the building that we might continue to do the work we have been called and are excited about doing with our neighbors.

Detroit needs more success stories like ours

A local community changes with the times and serves the people around it. Detroit historic buildings are often neglected or abandoned. Renovation can be cost prohibitive. We see our building as an asset. Your investment in this building and in us helps write Detroit's next chapter.

Spirit of Hope is on the national, state and local historic registries.

What We Do

Every week approximately 600 people come to the Spirit of Hope community center for food, recovery from substance abuse, youth programs, urban farming, HIV testing, worship, fellowship and more.

Community services and programs include:

Worship

- Spirit's Table, Saturdays at 5 p.m.

Nutrition

- Meals - Serving more than 400 weekly.
- Food Pantry - Serving 60 families weekly.
- Spirit Farm Urban Garden - Developed four city lots into now a productive local food source and educational center.

Recovery and Prevention

- Seven 12-step and recovery meetings.
- HIV prevention and Safer Sex Kit distribution.

Community & Outreach

- Working against and confronting the evils of racism, classism, sexism and homophobia.
- LGBT affirming
- Creating a safe space for those who have been ridiculed, abused or used by other faith communities, for any reason.
- Witnessing to the living unconditional love of Jesus Christ!

Why You Should Pledge

Not often enough does an opportunity come along to preserve a historic building and serve a community. Spirit of Hope is doing just that.

The 1925 building, attached to our 1892 historic sanctuary, is ready for revival, but it does not happen without committed believers in Detroit and our comeback. Help us serve hundreds of Detroiters and families every week.

\$30,000+ The Dining Hall: In our dining space over 400 meals are served and baskets are given to 60 families every week who need a hand to get by.

\$40,000+ The Gymnasium: Forward thinking developers in 1925 made sure the neighborhood would be served with a space for athletics for generations to come.

\$50,000+ The Park: A regular summer gathering space for neighborhood meetings, worship and garden activities, this park brightens up a major entrance to the Midtown and Downtown areas of our city.

\$100,000+ The Education Building: Anchored by a brand new Head Start early childhood center, and framed by the gymnasium above and the dining hall below.
