Colorado Robot Challenge Rules and Reminders:

- LEAVE NO TRACE!!
- Ask questions of other teams and share your design and how you approached the Challenge.
- Bring snacks and water.
- Bring sunscreen and warm weather clothes and be prepared for changing weather during the event.
- No more than 2 robots on any course at any given time.
- You do not have to complete the courses in order (you are challenged to complete all courses).
- Check off your team before leaving course.
- Cheer-on and encourage all teams.
- Ask questions, take pictures, offer suggestions, but do not physically handle another team's robot unless invited to do so.
- LEAVE NO TRACE!! We will leave the area as if we were never there. This will take the effort of everyone in attendance.
