

# MNCODES EDUCATOR COHORT

**APPLY  
TODAY!**

Join a cohort of MN Educators who are interested in or involved in Computer Science Education.

- Expand equitable and engaging K-12 CS Education
- Network with educators across the state of MN
- Explore CS tools and concepts
- Hear from various CS Experts
- Integrate CS into other academic curricula
- Create and share CS resources

*The cohort is open to all educators who are interested in or involved in expanding computer science education.*
