

# VII International Scientific and Practical Conference-Biennale “Systems Analysis in Economics – 2022”

Moscow, Russia

## CALL FOR PAPERS

On December 07-08, 2022, the VII International Scientific and Practical Conference-Biennale “Systems Analysis in Economics – 2022” will be held at the Financial University under the Government of the Russian Federation. The Conference is organized by the Department “Systems Analysis in Economics” of the Financial University and CEMI RAS in partnership with other organizations.

### Problem field for discussion:

- systems economic theory and modeling methodology;
- ensuring sustainable innovative development of a person, organization, and society in the light of systemic principles;
- systems analysis and modeling in tackling problems of the state, regional, municipal, and corporate governance;
- systems analysis of the scientific-and-educational sphere problems;
- the other applied aspects of the systems paradigm.

Within the framework of the Conference, **the roundtable “Systems Methods of Fostering Socio-Economic Development” (in Russian)** and **the methodological discussion “Systems Approach as a Way of Humanity in the Complex World” (in English)** will be held on Dec. 7th.

### Purposes of the event:

- ❖ bringing together professionals in different fields of knowledge to overcome the boundaries of individual disciplines and professions;
- ❖ mutually enriching exchange of opinions, ideas, and achievements of scientists, politicians, and business executives on the systemic solution of topical socio-economic problems for bridging of science and practice;
- ❖ formation of a holistic view of functioning, evolution, and transformation laws of socio-economic systems on different levels, scales, and types of activity for the sustainable development of society and improving the quality of people's life.

You can take part in the conference as a speaker or listener.

### Venue:

- offline: 51/1, Leningradsky Prospekt, Moscow, Russia;
- online: Webinar platform
