

# Welcome to Schloss Bröllin

**This small handbook is designed to make your travel preparations and stay with us in Schloss Bröllin as comfortable as possible.**

Bröllin is a small village mostly made up of the Schloss Bröllin estate. It is situated about 6 km from Pasewalk, the capital town of the regional district. Bröllin has no shops, but you will find supermarkets and smaller shops in Pasewalk; the biggest ones are open Monday-Saturday 8am-10pm. In Bröllin, you will be surrounded by fields and quiet in a landscape with traces from end moraines of the last ice age. On clear nights you can gaze at an impressive starlit sky. Nearby are small lakes that can be reached on foot, the closest one is only a 15 minute walk from the estate.
