

City Nature Month: Week 1 Observations

EVENT IN PROGRESS

City Nature Month
Washington, DC Metro Area

City Nature Month April 2020: Washington DC Metro...

APR 1, 2020 - APR 30, 2020

About Leave 25

What can we find while we #StayAtHome? Even with our movement limited to minimize the spread of COVID-19, there is plenty to find at our windows, gardens, and neighborhoods. We don't need to go anywhere special to find nature in the city. April is Earth Month, Citizen Science Month, and culminates in the City Nature Challenge at
