

MEMBERSHIP OPEN DAY

Thursday 29 July, 11am-6pm

Based on the site of what is widely regarded as the world's first factory, the Museum of Making is offering makers, creators and innovators from across the city the chance to join an inspiring and supportive community as part of our Membership scheme.

Membership can be paid for either monthly at a price of £5, or annually at £50. By becoming a Member, you will join a creative community of like-minded individuals and organisations where you can network, collaborate, share ideas, access peer support, learn, teach and make new friends along the way.

Members will be able to access our innovative and inspiring workspaces, whether it's The Prospect co-working desk space or the machinery and tools in The Workshop.

If you're interested and would like to find out more, drop in to see us on Thursday 29th July, anytime between 11am and 6pm, for an informal chat with staff about our Membership offer and take a detailed look about our magnificent workspaces, The Prospect and Workshops. You could even choose a desk in The Prospect and work for a while to try it out.

As an added launch day bonus, the first five people to join as Members on the day can claim a 30% discount on their yearly Membership subscription!

If you have any questions or would like to RSVP your attendance, please contact sarah.smith@derbymuseums.org, and do feel free to share this information across your creative networks. We look forward to seeing you there!
