Oakland Police Chief Invites Community to Take Survey

Oakland, CA – Oakland Police Chief Howard Jordan addressed the community in a Public Service Announcement about the important role the community plays in keeping the City safe. Chief Jordan said, “during this time of limited resources and other challenges, it is no secret that we need the community’s support.”

Chief Jordan has invited the community to take part in a survey designed to gain feedback on what the Police Department can do to improve its service to the community. The community is asked to provide suggestions, recommendations, and ideas that will grow into something that other cities will look to model.

Oakland community members may take the survey by logging into the Oakland Police Department website at www.oaklandpolice.com. Chief Jordan is confident that, together, everyone can make a difference in making Oakland a safer place to live, work, and do business.
